**MUNICIPAL LAW ENFORCEMENT SERVICES AGREEMENT
BY AND BETWEEN
LARIMER COUNTY, COLORADO AND THE TOWN OF TIMNATH, COLORADO**

THIS AGREEMENT, is made and entered effective the 1st day of January, 2016, between the Town of Timnath, Colorado, a municipal corporation (the "Town"); and the Board of County Commissioners of the County of Larimer, Colorado through the Larimer County Sheriff (the "County").

WITNESSETH:

WHEREAS, the Town is desirous of contracting with the County for the performance of law enforcement services through the Larimer County Sheriff's Office (hereinafter referred to as "Sheriff" or "Sheriff's Office"); and

WHEREAS, the County is agreeable to rendering such law enforcement services on the terms and conditions set forth in this Agreement; and

WHEREAS, such law enforcement services agreements are authorized and provided for by the provisions of Colorado Revised Statutes §29-1-203 and §30-11-410.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

- 1.1 The County agrees, through the Sheriff, to provide general law enforcement services within the corporate limits of the Town to the extent and in the manner hereinafter set forth in this Agreement. Annually, the Sheriff and Town will negotiate the budget, which sets forth the level of services provided and the associated costs (See section 2 for details).
- 1.2 Except as otherwise specifically set forth in this Agreement, such services shall be the basic level of services which are provided for unincorporated areas of Larimer County.
- 1.3 **Contracted Law Enforcement Services** - General law enforcement services performed hereunder may include, if requested by the Town and included on the annual Statement of Work and Budget Agreement (See Section 2): supplemental sworn officer support, supplemental security support, and supplemental professional civilian support staff.

- 1.4 **Training & Equipment** - The Sheriff will provide equipment, training, uniforms, vehicles, and supplies for deputies provided hereunder, on the same basis as the Sheriff provides to deputies assigned outside of the Town, adequate to provide the services agreed to hereunder.
- 1.5 **Police Records Management** - The Sheriff shall maintain in the Sheriff's records system, and in accordance with the Sheriff's applicable records retention policies, records relating to criminal complaints, arrests, and other official law enforcement actions taken by the Sheriff under this Agreement. During and after termination of this Agreement, the Town shall have continuous access to the Sheriff's records for all information pertaining to any entry made by the Sheriff on behalf of the Town under this Agreement, which access shall be granted at no charge and for legitimate Town law enforcement purposes.
- 1.6 **Dispatch Services** - The Sheriff shall provide law enforcement dispatching services necessary to maintain the services set forth in this Agreement. Other dispatching services may be provided to the town at a rate determined through a negotiation process between the Town and the Sheriff and documented in the annual Statement of Work and Budget Agreement. This process determines the Town's share of payment for communications services using the same formula for determining payment for communications services which is applied to the other government entities.
- 1.7 **Evidence Storage and Processing** – The Sheriff shall provide for the storage, processing, disposition and management of standard evidence collected on behalf of the town as necessary to maintain the services set forth in this Agreement, except in situations involving hazardous material or other special circumstances outlined in Section 2.8 below.
- 1.8 **Monthly Reports** - The Sheriff shall provide a monthly written report to the Town Administrator detailing law enforcement and public service activities provided under this Agreement. Said report is to be submitted to the Town prior to the 15th of the following month. The contents of the report, or portions thereof, shall be released to the public only upon the expressed authorization of the Sheriff. Said report shall include the number of hours of patrol time spent within the corporate limits of the Town; a detailed record of time spent by additional

officers within the corporate limits of the Town will be reported in a separate column; the number and type of incidents handled within the corporate limits; and a detailed report of all service requests responded to by deputies that require a case report.

2.0 STAFFING AND SERVICE LEVELS

- 2.1 The personnel, resources, and services performed hereunder and specifically requested by the Town shall be developed in conjunction with the Sheriff and indicated on the annual Statement of Work and Budget Agreement, attached hereto as Attachment A and incorporated herein by this reference.
- 2.2 A new Statement of Work and Budget Agreement for the ensuing calendar year shall be authorized and signed annually by the Town and the Sheriff or his designee by December 15th, and attached hereto as an Amendment to this Agreement.
- 2.3 Should the Town request a change in level of service other than pursuant to the annual readjustment, an additional Statement of Work and Budget Agreement shall be signed and authorized by the Town and the Sheriff or his designee and attached hereto as an Amendment to this Agreement.
- 2.4 The most recent dated and signed Statement of Work and Budget Agreement attached to this Agreement shall be the staffing level in effect between the Sheriff and the Town.
- 2.5 The Town may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in an amended Statement of Work and Budget Agreement under the procedures set forth in Sections 2.2 and 2.3 above.
- 2.6 **Supervisor Position** – If sworn officer(s) are included on the Statement of Work and Budget Agreement, it will include at least one full-time deputy, of the rank of Sergeant or higher, to be responsible for the supervision of law enforcement and public safety operations for the Town, and to serve as the Chief of Police (the "Supervisor"). The Supervisor appointed by the Sheriff shall be subject to the approval and ongoing consent of the Town, which consent shall not be unreasonably withheld. It is the intent of the parties that consistency, continuity, and experience of service to the Town are important elements of the Supervisor

position. It shall be understood by the Town that this assignment is to be a three-year appointment by the Sheriff, with the option of one-year extensions, which extensions shall be at the discretion of the Sheriff.

- 2.7 **Other Deputies** - Selection of the Sheriff's deputies to be assigned to the Town under this Agreement will be made by the Sheriff with the ongoing consent of the Town, which consent shall not be unreasonably withheld. Deputies assigned to the Town will be required to serve a minimum of one (1) year in the position unless circumstances prevent it. The Sheriff will ensure that deputies assigned to the Town of Timnath through this Agreement will spend the majority of their time in the Town of Timnath. When the Sheriff is unable to staff an officer in the Town during the normal contracted hours (as set forth in Attachment A) due to vacations, training, or other circumstances, calls for service in the Town will be handled by normal Sheriff's patrol as provided for unincorporated areas of Larimer County.
- 2.8 **Overtime/Extraordinary Investigations** - In the event that the deputies assigned to the Town under this Agreement incur overtime expenses above the amount budgeted, the Sheriff shall pay such excess, except in situations where the overtime expense is incurred because of an extraordinary criminal investigation that occurs within the Town limits. In cases of an extraordinary criminal investigation, the Town and Sheriff will meet to discuss cost sharing of overtime expenses, forensic examination expenses, expert analysis expenses and other expenses incurred that are specific to that investigation. The Sheriff determines when an investigation becomes an extraordinary criminal investigation and notifies the Town Administrator of said determination.
- 2.9 **Special Event Staffing** – When the Town requires additional staffing for special events, beyond what the contract officers can supply, the Sheriff will work with the Town to provide extra staffing. Volunteers, such as Reserve Deputies, Posse, and Explorers may be used, when available and appropriate, to supplement staffing. If extra-duty deputies are required/requested, the Town will be financially responsible for compensating the County for the hours worked by these officers at the contractual extra-duty rate charged by the Sheriff's Office.
- 2.10 **Call Response/Other Jurisdictions.** The deputies assigned to the Town are

responsible for call response and routine patrol inside the Town during their scheduled work hours. In order to minimize unnecessary duplication of law enforcement services, the Parties agree that deputies assigned to the Town may from time to time respond to other adjacent jurisdictions, including unincorporated Larimer County, as needed. The deputy will be returned to the Town patrol area as soon as possible in these instances. Similarly, Sheriff's personnel assigned elsewhere may from time to time be used for law enforcement services within the Town.

3.0 ADMINISTRATION OF PERSONNEL

- 3.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the Town and shall perform the functions of the Chief of Police at the direction of the Town.
- 3.2 The rendition of the services performed by the Sheriff's Office, the standards of performance, the discipline of deputies, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.
- 3.3 Any complaints of violation of law or policy by Sheriff's deputies assigned to the Town shall be made by the Town or other complaining person in writing, directed to the Sheriff and in compliance with the Sheriff's policy and procedure for Internal Affairs investigations. Pursuant to that policy, the Sheriff or his designee, shall inform the Town in writing when any such complaint is received, including the name of the deputy complained against and the nature of the complaint. The Sheriff, or his designee, shall also notify the Town that the issue has been addressed after the Sheriff's internal investigation has been completed.
- 3.4 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the Town shall be consulted and a mutual determination thereof shall be made by both the Sheriff and the Town.
- 3.5 With regard to Sections 3.3 and 3.4 above, the Sheriff, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.
- 3.6 All Town employees who work in conjunction with the Sheriff's Office pursuant to this Agreement shall remain employees of the Town and shall not have any

claim or right to employment, civil service protection, salary, or benefits or claims of any kind from the County based on this Agreement. No Town employee as such shall become employees of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the Town and the County.

- 3.7 The Parties agree that the relationship of the Sheriff to the Town under this Agreement is that of an independent contractor. In this capacity, and for the sole purpose of providing the services contracted for hereunder, the Sheriff may be considered to be an agent of the Town; for all other purposes, however, the Sheriff and his deputies provided under this Agreement shall be considered to be officials or employees of Larimer County and not employees of the Town. All other persons who are employed by or acting as agents of the Town shall be considered to be employees or agents of the Town and not of the Sheriff. No person who is not a deputy of, employed by, or expressly commanded by, the Sheriff in the course of providing law enforcement services hereunder shall be considered to be an agent or employee of the Sheriff for any purpose.
- 3.8 The Town shall not be called upon to assume any liability for the direct payment of any Sheriff's Office salaries, wages, or other compensation to any County personnel performing services hereunder for said Town.
- 3.9 The Town shall not be liable for workers' compensation or unemployment insurance for any of the Sheriff's employees for injuries or sickness arising out of their employment by the Sheriff. The County shall to the extent of County insurance cover such liability, defend and hold harmless the Town against any such claims and provide any required workers' compensation insurance program and unemployment insurance coverage for Sheriff's employee. Any release, hold harmless and indemnity given hereunder shall not constitute a waiver of any rights or immunities afforded to the County under Sec. 24-10-107, et. Seq. C.R.S. 1973.
- 3.10 Municipal and County Court - Sheriff's deputies making arrests or issuing summons to violators for appearance in court shall appear at the appointed time and date to give all evidence and testimony required by the court. Sheriff's deputies failing to comply with this requirement may be subject to disciplinary

action by the Sheriff. Deputies assigned to the Town will not act as court recorders and are not held responsible for scheduling or monitoring of community service sentenced by the court. An assigned deputy will act as the court bailiff.

- 3.11 The Sheriff acknowledges that personnel assigned to the Town have been notified of their duty to cooperate with state and federal officials with regards to enforcement of state and federal laws.

4.0 RESOURCES TO BE PROVIDED BY THE TOWN

- 4.1 For the purpose of performing said general law enforcement services, County shall furnish and supply all necessary labor, supervision, equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.
- 4.2 Notwithstanding the foregoing, the Town may provide additional resources for the County to utilize in performance of the services.
- 4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the Town which would not normally be provided by the Sheriff, the Town shall furnish at its own cost and expense all necessary office space, including: phone lines and T-1 or fiber optic data lines adequate for access to the Sheriff's computer network, light, water, and other utilities. The Town agrees to maintain liability insurance on the building as set forth in Section 5.2 of this Agreement.
- 4.4 It is expressly further understood that in the event a local office or building is maintained in said Town, such local office or building may be used by the Sheriff in connection with the performance of his duties in territory outside of the Town, provided, however, that the performance of such outside duties shall not be at any additional cost to the Town.
- 4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said Town, the same shall be supplied by the Town at its own cost and expense.
- 4.6 The Town will continue to contract with the Larimer Humane Society, or other service provider, for the storage, care and management of animals taken into custody on behalf of the Town.
