# TOWN OF TIMNATH REPORT

## Natural Gas Symposium

The Town of Timnath will be a host site for two streamed web sessions of the Colorado State University's Fourth Annual Natural Gas Symposium on September 24. The two sessions will deal with the overall state of the industry and community/industry interaction. The sessions will run from 8 am to noon and additional information as well registration instructions will be forthcoming. Attendance is free and Timnath residents will receive a mailing regarding further details.

## Costco

Costco opening day is October 2, 2014! The wholesaler will open at 8 am that day to welcome Timnath and area residents!

## Parks are active!

This year Timnath saw greater use of the Timnath Reservoir, the stocking of the pond near Wal-Mart for fishing and now the use of Wild Wing Park. Timnath welcomes Storm Soccer Academy as it uses the fields for practice and games. Storm Soccer Academy leases the park's fields August through November for evening practices and for Saturday games. Good luck, soccer players!

## Founder's Day

Timnath Founders' Day will be September 13 from 10 am to 1 pm. There will be entertainment, food, games, zucchini races (yes, zucchini races!!) and much more. Please come enjoy a good time and if you are interested in having a booth, please contact us at the Town Administration Building for more information.

Sincerely,

April D. Getchius, AICP, Town Manager
