- Professional Services

Public/Private Partnerships to make your location in Timnath a reality!

Jeff Scheidemantle, *COSTCO General Manager*

"We are thrilled to be in Timnath, they made the process easy, welcomed us to the community, and our stores performance at this location is outstanding. We were one of our best new openings, and traffic and sales are well above projections. We made the right choice in Timnath."

Mark Siffring, *Freddy's Frozen Custard & Steakburgers - Franchise Owner*

"Clearly the demographics, the traffic count, the population base, housing increase, and retail neighbors made this a very desirable site."

Don Taranto, *Town Engineer*

"I don't know that it gets much better. You've got I-25 and Harmony Road that is the crossroads of some of the largest commercial areas in Northern Colorado...we are incredibly well positioned and with that comes the opportunities."

April Getchius, *Town Manager*

"We have a business savvy Town Council that understands what it costs and what drives a business location decision, and a dedicated staff that works very hard to make it easy for businesses to do business in Timnath."

Jill Grossman-Belisle, *Mayor*

"When it comes to public/private partnerships, our professional council understands that it requires innovation and an investment on our part to attract the right businesses to our community. We are prepared to act quickly and with flexibility, working together with quality partners, to realize our long-term vision of creating great economic development opportunities and making them come to fruition."
