1. The Town Council determines, based on representations by and on behalf of WW Development, LLC, a Colorado limited liability company (the "Developer") and the Wildwing Metropolitan District Nos. 1-5 (the "Districts"), that the Amended Plan satisfies the requirements of §§ 32-1-201. et seq., C.R.S., as amended, relating to the filing of the Amended Plan and that the notice of the hearing was given in the time and manner required by law.

2. The Town Council determines that, based on representations by and on behalf of the Developer and the Districts, the Town Council has jurisdiction over the subject matter of the Amended Plan pursuant to §§32-1-201. et seq., C.R.S., as amended.

3. In accordance with the requirements of §§ 32-1-202(2), 32-1-203(2) and 32-1-204.5, C.R.S, the Town Council hereby finds that:
   a. There is sufficient existing and projected need for organized service in the area to be served by the Districts.
   b. The existing service in the area to be serviced by the Districts is
inadequate for present and projected needs.

c. The Districts are capable of providing economical and sufficient service to the area within their proposed boundaries.

d. The area included within the Districts has, or will have, the financial ability to discharge the proposed indebtedness on a reasonable basis.

e. Adequate service is not, or will not be, available to the areas through the Town, Larimer County, or other existing municipal or quasi-municipal corporations, including other existing title 32 districts, within a reasonable time and on a comparable basis.

f. The facility and service standards of the Districts are compatible with the facility and service standards of the Town.

g. The proposed Amended Plan is in substantial compliance with the comprehensive plan of the Town as adopted pursuant to the Town Code.

h. The proposed Amended Plan is in compliance with any duly adopted Town, regional, or state long range water quality management plan for the area.

i. The Amended Plan will be in the best interests of the area proposed to be served.

4. The Town Council’s findings are based solely upon the Amended Plan and evidence presented at the public hearing and the Town has not conducted any independent investigation of the evidence.    b. Each and every provision of the Amended Plan is an integral part of the whole and in the event any court of competent jurisdiction finds any material provision hereof to be unenforceable, invalid, or otherwise not binding on the Districts in any manner, such shall constitute a failure of the conditional approval of the Town so that immediately upon the entry of such order, without requirement of any action on the part of the Town, all powers and authority of the Districts contained in the First Amendment shall be deemed suspended until such time as the Districts submit to the Town a new amended service plan and obtain approval thereof which may be denied in the Town’s sole and absolute discretion.
c. This conditional approval shall be made an express condition of any court order and decree and shall be fully set forth therein. In the event this Amended Plan postdates the issuance of any order and decree regarding the Districts, the Districts shall file a motion with the court seeking an amendment to the order and decree to include the conditional approval thereof as stated in this Section 5. Prior to submitting a proposed order and decree or amended order and decree to the court the Districts shall submit it to the Town for review and approval.

d. Any violation of this Section 5 shall constitute a failure of the conditional approval of the Amended Plan unless the Districts obtain a waiver of the consequences of such violation executed by the Town Manager.
