MUTUAL AID AGREEMENT
FOR DISASTER-EMERGENCY MUTUAL AID
AND
DISASTER-EMERGENCY FUNDING ASSISTANCE

This Agreement is made by and among emergency services and emergency management partners who are signatories hereto, all being entities lying within or in close proximity to Larimer County, Colorado, and each a Party (referred to herein as the "Party" or the "Parties"), agreeing as follows:

I. Purpose
This Agreement is intended to allow for mutual aid between the Parties whenever there is an urgent or potentially significant situation that threatens the general welfare and good order of the public, public health, public safety, or property, including but not limited to "Disasters" or "State of Disaster Emergency" or "Local Disaster Emergency" as those terms are described in Title 24, Article 33.5, Part 7, Colorado Revised Statutes. Each Party has equipment and personnel trained and equipped to respond to situations involving an emergency. By this Agreement, the Parties intend to authorize and provide the terms for their mutual assistance in emergency situations, whether natural or human-caused, which require resources in addition to those that can be provided by the Party in whose jurisdiction the emergency occurs.

II. Authority
The authority for this Agreement is Section 24-33.5-705.4, C.R.S., and provisions of the Colorado Disaster Emergency Act, Section 24-33.5-701, et seq., C.R.S., as amended.

III. Term
This Agreement shall commence on the date that it is signed by at least two Parties and shall continue until such time as there are no longer at least two Parties to the Agreement. A Party may terminate its participation in this Agreement as set forth in Section XI, below.

IV. Request for Assistance and Mutual Aid
a. In the event any Party determines a need for aid from any other Party in light of an emergency or disaster, such Party may request aid from any other Party as follows:
   i. A request for assistance may be for any type of assistance or aid that a Party ("Requesting Party") may deem necessary to respond to an emergency or disaster situation within its jurisdiction or area of responsibility.
   ii. A Requesting Party’s request for aid will be made through its Emergency Operations Center (EOC) or emergency management staff to the EOC or emergency management staff of any other Party. Any request for mutual aid or assistance shall include a statement of the nature and complexity of the subject need, the amount and type of equipment and/or personnel
requested, contact information, duration needed, and the location to which
the equipment and/or personnel are to be dispatched.

V. Response to Request for Assistance and Mutual Aid
a. Upon receipt of a request for assistance, any other Party (Responding Party) may,
in its sole discretion, provide personnel, equipment, or other assistance to the
Requesting Party.
b. Any Responding Party reserves the right to recall its personnel, equipment,
materials, supplies and other resources at any time and will, if practicable, give
the Requesting Party at least twenty-four (24) hours advance notice.

VI. Command and Control
a. It is the intent and agreement of the Parties that the command structure and
exchange of mutual aid provided for in this Agreement conform to the current
standards of practice of the National Incident Management System (NIMS) and
the Incident Command System (ICS).
b. Parties responding with available resources and personnel will confer with the
Requesting Party’s EOC or Incident Command Post (as applicable) and report to
the staging area designated by the Requesting Party. The Responding and
Requesting Parties’ EOCs will track the status of the appropriate resources.

VII. Release of Resources
Personnel and equipment of a Responding Party shall be released by the Requesting
Party’s Incident Commander when the assistance is no longer required; or when the
Responding Party requests the return of such resources. The release of all resources
shall be communicated and documented through the appropriate EOC and resource
management system.

VIII. Reimbursement and Compensation
a. Each agency will assume responsibility for its own expenses related to the
provision of mutual aid for the first 12 hours of the first operational period, unless
negotiated otherwise by the agencies. The first operational period is measured
from the time of the initial dispatch, tone or report of an incident to a response
agency.
b. After the First Twelve Hours of Response. Unless otherwise agreed in advance
by the involved Parties, after the first twelve hours of the incident the Requesting
Party shall reimburse the Responding Party for the following costs associated
with the response (Reimbursable Costs):
   i. Personnel Costs. Personnel costs, including salaries, hourly wages,
overtime, and costs of fringe benefits.
   ii. Equipment. An amount for the use of the Responding Party’s equipment
during the period of assistance according to the Schedule of Equipment
Rates established and published by the Federal Emergency Management
Rates for equipment not referenced on the FEMA Schedule of Equipment
Rates shall be as agreed upon by the involved Parties and based on actual recovery of costs.

iii. **Materials and Supplies.** The actual replacement cost or replacement in kind of the expended or non-returnable materials and supplies provided by the Responding Party, plus reasonable handling charges. The Responding Party shall not charge the Requesting Party for materials, supplies and reusable items that are returned to the Responding Party in a clean, damage-free condition. Reusable supplies that are returned to the Responding Party with damage shall be treated as expendable supplies for purposes of cost reimbursement.

c. **Tracking Reimbursable Costs.** Tracking of personnel time, work/rest, and equipment use shall be the responsibility of the Requesting Party. The Responding Party will be responsible for invoicing the Requesting Party after demobilization as per any financial agreement by both Parties.

d. **Reimbursement.** The reimbursement to any Responding Party is not contingent on the Requesting Party’s eligibility for or receipt of reimbursement from any federal or state agency or third party. The Parties acknowledge that a Requesting Party may pursue all legal reimbursement available for costs associated with emergency and disaster response and recovery, including Reimbursable Costs incurred by Responding Parties. The Parties agree to cooperate with any Requesting Party as may be necessary to establish the necessity of the aid provided, and its reasonableness in light of the emergency situation. Parties involved in this Agreement shall, upon request of resources, determine financial terms and limitations through a separate document or through a pre-existing process outlined by the Emergency Management Agency or the Emergency Operations Center. This is typically done through a Request for Assistance Form or a 213RR Form, but may involve any written financial process used by the Requesting Party.

In addition, this Agreement shall not be construed as to limit or waive reasonable compensation or reimbursement for costs incurred under this Agreement that may be eligible for reimbursement by local, state or federal agencies or any other third parties.

**Payment.** Within ninety (90) days from the end of the period of assistance, a Responding Party shall provide the Requesting Party with an invoice that itemizes all Reimbursable Costs. The Requesting Party must pay the invoice in full on or before the forty-fifth (45th) day following the billing date. Any amounts unpaid on the forty-sixth (46th) day following the billing date will be delinquent, and from that date forward will accrue interest at 2% per annum plus the bank prime loan rate in effect on the first date of delinquency, as reported in the Federal Reserve Statistical Release H.15, www.federalreserve.gov/releases/H15/update/. Delinquent interest will be computed on an actual days/actual days basis. Upon agreement of the involved Parties, the payment deadlines may be extended if reimbursement from state or federal sources or third party is pending and likely to occur.
Financial Obligations. Pursuant to Colorado law, any multi-fiscal year obligations of any Party that is a governmental agency are subject to and contingent upon its annual appropriation.

IX. Additional Responsibilities

a. Agency Policy and Procedures. Each Party's personnel are responsible for following their agency's administrative policies and procedures. The Parties hereto enter into this Agreement as separate and independent entities and each shall maintain that status through the term of this Agreement. Each Party remains responsible for all pay, entitlement, benefits, employment decisions, and worker's compensation coverage for its own personnel.

b. Compliance with All Applicable Laws. Each Party shall be responsible at all times for compliance with all laws and regulations applicable to each of its actions hereunder. Each Party must, upon request by another involved Party, make available on a reasonable basis such information as may be required to ensure or show compliance with local, state and federal laws.

c. Provisions for Responding Personnel. The written request for resources shall outline provisions required for personnel and equipment, including temporary housing, food and supplies necessary to perform the functions required. This may be outlined in the request for resources as a need by the Requesting Party or as a need from the Responding Party. This should be outlined prior to any deployment of resources. If the Requesting Party cannot provide food or shelter for the said personnel, the Responding Party may secure the resources necessary to meet those needs and shall be entitled to reimbursement from the Requesting Party for such cost, not to exceed the state per diem rates.

d. Nondiscrimination. No person with responsibilities in providing services or the operation of any activities under this Agreement will unlawfully discriminate against persons being assisted or requesting assistance on the basis of race, color, national origin, age, sex, sexual orientation, ancestry, marital status, creed, religion, disability, political affiliation or beliefs, or any other unlawful basis.

X. Disaster Planning and Interagency Cooperation

a. In order to enhance public safety, the protection of life, property and the environment, and in order to enhance the mutual aid capabilities contemplated in this Agreement, the Parties agree to do the following:
   
i. Prepare and keep current emergency planning documents, including jurisdictional or agency disaster response plans and recovery plans.

   ii. To the extent possible, participate in the county emergency management activities which are designed to ensure coordinated disaster planning, response, and recovery. These activities may include the Local Emergency Planning Committee, multi-agency coordination systems, disaster risk and hazard assessment, training and education, and Incident Management Team support.

   iii. When possible, provide a liaison to the county EOC during incidents that affect two or more Parties within the county to the extent allowed by the local emergency plans, staffing, and other budgetary considerations of the
Parties. Liaisons may be provided virtually through EOC software management tools, telephone or email.

XI. **Termination**
Any Party may terminate its participation in this Agreement without cause, and such termination will be effective on the date written notice is sent to the governing board of each Party. Termination will not negate any obligations that result from mutual aid provided or received prior to termination, including pending claims for reimbursement provided under this Agreement.

XII. **Non-Liability**
This Agreement shall not be construed to create a duty as a matter of law, contract, or otherwise for any Party to assume any liability for injury, property damage, or any other loss or damage that may occur by any action, or non-action taken, or service provided, to the public or any person, or any equipment, as a result of this Agreement. Nothing in this Agreement is intended nor shall be interpreted to waive any benefits or protections that may be available to any Party by the provisions of the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et. seq., as the same may be amended from time to time.

XIII. **Integration and Amendments**
This Agreement contains the entire understanding of the Parties and the Parties agree that this Agreement may only be amended or altered by written agreement signed by the Parties’ authorized representatives.

XIV. **Assignment /Transfer**
No Party shall assign or otherwise transfer this Agreement or any right or obligation herein without prior consent of the other Parties.

XV. **No Third Party Beneficiary**
This Agreement is made for the sole and exclusive benefit of the Parties hereto and nothing in this Agreement is intended to create or grant to any third party or person any right or claim for damage, or the right to bring or maintain any action at law, nor does any Party waive its immunities at law, including the rights, protections, limitations and immunities granted to any Party under the Colorado Governmental Immunity Act, C.R.S. 24-10-101 et. seq., as the same may be amended from time to time.

XVI. **Severability**
If any term, covenant, or condition of this Agreement is deemed by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions of this Agreement shall be binding upon the Parties.

XVII. **Headings**
The section headings of this Agreement are inserted only as a matter of convenience and for reference. They do not define or limit the scope or intent of any provisions in
this Agreement and shall not be construed to affect in any manner the terms and provisions herein.

XVIII. Becoming a Party to this Agreement
Each Party agrees to allow any other entity, including government and non-government emergency response and recovery partners, to join in this Agreement after formal approval by the prospective Party and notification by the Larimer County Office of Emergency Management of such action to each of the other Parties to this Agreement. To the extent that entities outside of Larimer County choose to join in this Agreement, notification shall also be provided to the office of emergency management in the county in which the entity is located.

XIX. Execution
This Agreement shall be executed by each Party on a separate signature page. This Agreement and the original signature pages shall be filed with and held by Larimer County Emergency Management or its successor agency, at 200 West Oak Street, Fort Collins, CO 80522. Copies of signature pages shall be provided to each Party, and such copies shall have the full force and effect as if they were originals.
