D. Term. The term commences on the Commencement Date and terminates on the Termination Date as hereinafter defined.

Notwithstanding anything contained herein to the contrary, and consistent with Article X, Section 20 of the Colorado Constitution, the Town's payment obligations for any renewal term do not constitute a multi-year fiscal obligation of the Town. All financial obligations of the Town under this Agreement are subject to the annual appropriation of sufficient funds for the same by the Timnath Town Council, acting in its sole and exclusive discretion. In the event of non-appropriation, this Agreement shall automatically terminate upon the first day of the fiscal year for which funds are not appropriated and neither Party shall have any continuing obligation to the other under this Agreement except as explicitly provided herein.

E. Commencement Date. The "Commencement Date" is _________________ and is when the services described in this Agreement are to commence.

F. Termination Date. The "Termination Date" of this Agreement is ________________.

G. Approval by the Town Council. This Agreement ☒ X ☐ is _____ is not (check one) contingent upon and subject to approval by the Town Council. If this Agreement is contingent upon and is subject to approval by the Town Council and such approval is granted after the Commencement Date, the Commencement Date shall be extended until such approval is received and the Termination Date shall be extended to reflect the Term of this Agreement.

H. Termination. Either Party may terminate this Agreement for cause or convenience upon thirty (30) days written notice to the other. If this Agreement is terminated, the Contractor shall be paid for all the services satisfactorily performed prior to the designated termination date. Said payment shall be made in the normal course of business.

2. CONTRACTOR NOT EMPLOYEE. Contractor is an independent contractor and not an employee, partner or agent of the Town.

As an Independent Contractor you are not entitled to workers' compensation benefits or unemployment insurance benefits, unless unemployment compensation coverage is provided by the Contractor or some other entity other than the Town, and that as an Independent Contractor you are obligated to pay federal and state income tax on any moneys earned pursuant to our contract relationship.
The Contractor shall, at all times, be an independent contractor. The Contractor shall have exclusive domain and control over the activities of its employees, if any, and under no circumstances shall Independent Contractor or Independent Contractor's employees be considered employees or agents of the Town.

3. INDEMNIFICATION. Contractor shall defend, release, indemnify and save and hold harmless the Town, its officers, agents and employees from and against: (1) any and all damages, including but not limited to, loss of use of property or injuries to or death of any person or persons (including but not limited to property and officers, agents and employees of the Town) and (2) any and all claims, demands, suits, actions, liabilities, costs, expenses (including but not limited to reasonable attorney fees, expert witness fees and all associated defense fees), causes of action, or other legal, equitable or administrative proceedings of any kind or nature whatsoever, of or by anyone whomsoever, regardless of the legal theory(ies) upon which premised, including but not limited to contract, tort, express and/or implied warranty, strict liability, and workers' compensation, in any way resulting from, connected with, or arising out of, directly or indirectly, the tortious or negligent actions or omissions of Contractor in connection with Contractor's operations or performance herewith or Contractor's use or occupancy of real or personal property hereunder, including tortious or negligent acts or omissions of employees, agents, or representatives of Contractor; provided however, that Contractor need not indemnify the Town or its officers, agents and employees from damages proximately caused by and apportioned to the negligence of the Town's officers, agents and employees.

This indemnity shall also extend to the Town's defense costs, in the event that the Town, in its sole discretion elects to provide its own defense. The Town retains the right to disapprove counsel, if any, selected by Contractor to fulfill the foregoing defense indemnity obligation, which right of disapproval shall not be unreasonably exercised.

Insurance coverage requirements specified herein shall in no way lessen or limit the liability of Contractor under the terms of this indemnification obligation. Contractor shall obtain, at its own expense, any additional insurance that Contractor deems necessary for the Town's protection in the performance of this Agreement.

This defense and indemnification obligation shall survive the expiration or termination of this Agreement. The Parties acknowledge that provisions of this Section are not intended to waive any of the rights and defenses afforded the Town under the Colorado Governmental Immunity Act (C.R.S. § 24-10-101, et. seq.).

4. CONTRACTOR LICENSE, EXPERTISE AND INSURANCE. Town has selected Contractor because of Contractor's special training, education and expertise to provide the services identified herein. Contractor shall maintain general liability insurance, at its expense, in an amount of at least $1,000,000.00 and insurance for protection from claims under workers' compensation acts, claims for damages because of bodily injury including personal injury, sickness or disease or death of any and all employees or of any person other than such employees, and from claims or damages because of injury to or destruction of property including loss of use resulting there from.

Any such insurance shall name the Town of Timnath as an additional insured. The
Contractor shall deliver to the Town at the time of entering into this contract copies of policies of liability insurance required herein or certificates evidencing the existence and amounts of such insurance with loss payable clauses satisfactory to the Town. No policy shall be cancelable or subject to reduction of coverage except after twenty (20) days prior written notice to the Town. All such policies shall be written as primary policies not contributing with and not in excess of coverage which the Town may carry.

The work performed by Contractor under this Agreement shall be performed in manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time. Contractor shall maintain such licenses as may be necessary to provide the services set forth in this Agreement.

5. DOCUMENTS. All documents prepared or furnished by Contractor (and independent professional associates and sub consultants) pursuant to this Agreement shall be the property of the Town. In addition, the Town shall have access to Contractor's financial records for the purposes of audit. Such records shall be complete and available for audit for ninety (90) days after final payment under this Agreement and shall be retained and available for audit purposes for at least five (5) years after final payment hereunder.

6. TABOR. Colorado Constitution, Article X, Section 20. Notwithstanding other provisions in this Agreement to the contrary, the Parties understand and acknowledge that the Town is subject to Article X, § 20 of the Colorado Constitution ("TABOR").

A. The Parties do not intend to violate the terms and requirements of TABOR by the execution of this Agreement.

B. It is understood and agreed that this Agreement does not create a multi-fiscal year direct or indirect debt or obligation within the meaning of TABOR and, therefore, notwithstanding anything in this Agreement to the contrary, all payment obligations of the Town are expressly dependent and conditioned upon the continuing availability of funds beyond the term of the Town's current fiscal period ending upon the next succeeding December 31.

C. Financial obligations of the Town payable after the current fiscal year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available in accordance with ordinances and resolutions of the Town and other applicable law.

D. Notwithstanding any other provision of this Agreement concerning termination, upon the Town's failure to appropriate such funds, the Agreement shall automatically terminate.

7. CONFIDENTIALITY AND CONFLICTS. The Parties agree that Contractor will, in the course of its duties hereunder, receive information concerning the Town, its employees, elected and appointed officials, property, equipment and functions. Contractor agrees to hold all such information confidential and to not disclose the same other than to the extent required to perform its duties, or upon a proper request from an authorized Town official, or pursuant to a proper request under the Colorado Open Records Act, C. R. S. § 24-72-101, et. seq., to which the authorized Town official has confirmed it is appropriate for Contractor to respond or pursuant to a lawful court order. The requirements of this Section shall survive the termination of this Agreement. Prior to the execution of, and during the performance of this Agreement, the
Contractor agrees to notify the Town of any conflicts that impact the services to the Town.

8. ILLEGAL ALIENS - PUBLIC CONTRACTS FOR SERVICES. "E-verify program" as used herein means the electronic employment verification program created in Public Law 104-208, as amended, and expanded in Public Law 108-156, as amended, and jointly administered by the United States Department of Homeland Security and the Social Security Administration, or its successor program. "Department" as used herein means the department of labor and employment. "Department program" as used herein means the employment verification program established pursuant to C.R.S. § 8-17.5-102(5)(c).

A. The undersigned on behalf of the Contractor certifies that, at the time of this certification and the execution of this Agreement, the Contractor does not knowingly employ or contract with an illegal alien who will perform work under this Agreement and that the Contractor will participate in the e-verify program, pursuant C.R.S. § 8-17.5.101 or department program in order to confirm the employment eligibility of all employees who are newly hired for employment to perform work under this Agreement.

B. The Contractor shall not:

(I) Knowingly employ or contract with an illegal alien to perform work under this Agreement for services; or

(II) Enter into a contract with a subcontractor that fails to certify to the Contractor that the subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Agreement.

C. In addition:

(I) The Contractor has confirmed the employment eligibility of all employees who are newly hired for employment to perform work under the public contract for services through participation in either the e-verify program or the department program;

(II) The Contractor is prohibited from using either the e-verify program or the department program procedures to undertake pre-employment screening of job applicants while this Agreement is being performed;

(III) If the Contractor obtains actual knowledge that a subcontractor performing work under this Agreement for services knowingly employs or contracts with an illegal alien, the Contractor shall be required to:

(A) Notify the subcontractor and the Town within three (3) days that the Contractor has actual knowledge that the subcontractor is employing or contracting with an illegal alien; and
(B) Terminate the subcontract with the subcontractor if within three (3) days of receiving the notice the subcontractor does not stop employing or contracting with the illegal alien; except that the contractor shall not terminate the contract with the subcontractor if during such three (3) days the subcontractor provides information to establish that the subcontractor has not knowingly employed or contracted with an illegal alien;

(IV) The Contractor shall comply with any reasonable request by the Department of Labor and Employment (Department) made in the course of an investigation that the Department is undertaking pursuant to the authority established in C.R.S. § 8-17.5.102(5).

D. If the Contractor breaches this Section 8, the Town may terminate this Agreement for breach of the Agreement. If the Agreement is so terminated, the Contractor shall be liable for actual and consequential damages to the Town.

F. The Contractor shall, within twenty (20) days after hiring an employee who is newly hired for employment to perform work under this Agreement, affirm that the Contractor has examined the legal work status of such employee, retained file copies of the documents required by 8 U.S.C. § 1324(a), and not altered or falsified the identification documents for such employees. The Contractor shall provide a written, notarized copy of the affirmation to the Town.

G. If the Contractor has not accepted into the department program prior to entering into this Agreement, the Contractor shall apply to participate in the Program every three (3) months until the Contractor is accepted or the contract has been completed, whichever is earlier. This provision shall not be required or effective if the department program is discontinued.

9. **SUBCONTRACTORS.** The Contractor is solely and fully responsible to the Town for the performance of all Services under this Agreement, whether performed by the Contractor or a subcontractor engaged by the Contractor. The Contractor agrees that each and every agreement of the Contractor with any subcontractor to perform Services under this Agreement shall contain an indemnification provision identical to the one contained herein holding the Town harmless for the acts of the subcontractor. The Contractor further agrees that any such subcontract shall be terminable for cause or convenience and that, unless directed otherwise by the Town, the Contractor shall immediately terminate all such subcontracts immediately upon termination of this Agreement. Prior to commencing any Services, a subcontractor shall provide evidence of insurance coverage to the Town. The Contractor further agrees that all such subcontracts shall provide that they may be terminated immediately without further cost upon termination of this Agreement. Neither the Town’s approval of any subcontractors, suppliers or materialmen, nor the failure of performance thereof by such parties, will relieve, release or affect in any manner any of the Contractor’s duties, liabilities or obligations under this Agreement, and the Contractor will at all times be and remain fully liable. The Contractor agrees that each of its employees, and any subcontractors, suppliers and materialmen will be properly qualified and will use reasonable care in the performance of their duties.

10. **LIENS AND ENCUMBRANCES.** The Contractor shall not have any right or interest in any Town assets, nor any claim or lien with respect thereto, arising out of this Agreement or the
performance of the services contemplated herein. The Contractor, for itself, hereby waives and releases any and all statutory or common law mechanic’s, materialmen’s or other such lien claims, or rights to place a lien upon the Town’s property or any improvements thereon in connection with any Services performed under or in connection with this Agreement, and the Contractor shall cause all permitted subcontractors, suppliers, materialmen, and others claiming by, through or under the Contractor to execute similar waivers prior to commencing any work or providing any materials in connection with the Services. The Contractor further agrees to execute a sworn affidavit respecting the payment and lien releases of all subcontractors, suppliers and materialmen, and release of lien respecting the Services at such time or times and in such form as may be reasonably requested by the Town. The Contractor will provide indemnification against all such liens for labor performed, materials supplied or used by the Contractor and/or any other person in connection with the Services undertaken by the Contractor.

11. DEFAULT. If either Party fails to perform in accordance with the terms, covenants and conditions of this Agreement, or is otherwise in default of any of the terms of this Agreement, the non-defaulting party shall deliver written notice to the defaulting party of the default, and the defaulting party will have fifteen (15) days from and after receipt of the notice to cure the default. If the default is not of a type which can be cured within such fifteen (15)-day period and the defaulting party gives written notice to the non-defaulting party within such fifteen (15)-day period that it is actively and diligently pursuing a cure, the defaulting party will have a reasonable period of time given the nature of the default following the end of the fifteen (15)-day period to cure the default, provided that the defaulting party is at all times within the additional time period actively and diligently pursuing the cure. If any default under this Agreement is not cured as described above, the non-defaulting party will, in addition to any other legal or equitable remedy, have the right to terminate this Agreement and enforce the defaulting party’s obligations pursuant to this Agreement by an action for damages, injunction or specific performance.

12. GOVERNING LAW/DISPUTES.

   A. Arbitration. All claims, counterclaims, disputes and other matters in question between the Parties hereto arising out of or relating to this Agreement or the breach hereof may be decided by Arbitration upon the mutual agreement to do so by the Parties to this Agreement. In that case, arbitration will be administered by the Judicial Arbiter Group in Denver, Colorado under its arbitration rules, by a single arbitrator. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. THE PARTIES RECOGNIZE THAT BY AGREEING TO BINDING ARBITRATION AS THE METHOD FOR DISPUTE RESOLUTION, THEY RELINQUISH THE RIGHT TO BRING AN ACTION IN COURT AND WAIVE THE RIGHT TO A JURY TRIAL AND THE EXTENSIVE DISCOVERY RIGHTS TYPICALLY PERMITTED IN JUDICIAL PROCEEDINGS. Colorado law shall apply to any dispute, without regard to conflict of law principles that would result in the application of any law other than the law of the State of Colorado. Each Party will be responsible for paying one half of all fees and expenses charged by the arbitrator. Notice of request for arbitration must be filed in writing with the other Party(ies) to this Agreement. If agreed to, notice must be filed with the Judicial Arbiter Group. The request must be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event may it be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations. In
the event that the Parties do not agree to arbitration, each party shall be permitted to pursue all available legal and equitable remedies.

B. Litigation and Venue. In the event the Parties do not agree to arbitration pursuant to (A) above, venue for all actions arising from this Agreement shall be in the District Court in and for Larimer County. The Parties expressly and irrevocably waive any objections or rights which may affect venue of any such action, including, but not limited to, forum non-conveniens or otherwise. At the Town’s request, the Contractor shall carry on its duties and obligations under this Agreement during any legal proceedings and the Town shall continue to pay for the Services performed under this Agreement until and unless this Agreement is otherwise terminated.

C. Prevailing Party. In the event that it becomes necessary for either party to enforce the provisions of this Agreement or to obtain redress for the breach or violation of any of its provisions, whether by litigation, arbitration or other proceedings, the prevailing party shall recover from the other party all costs and expenses associated with such proceedings, including reasonable attorney’s fees. For purposes of this Agreement, “prevailing party” shall mean the party in whose favor a judgment, decree, or final order is rendered, either by an arbitrator or the court, after appeal, if any. In the event both Parties prevail on one or more claims, the prevailing party shall mean the net winner of a dispute, taking into account the claims pursued, the claims on which the pursuing party was successful, the amount of money sought, the amount of money awarded, and offsets or counterclaims pursued (successfully or unsuccessfully) by the other Party. Notwithstanding the foregoing, if a written offer of compromise made by either Party is not accepted by the other Party within thirty (30) days after receipt and the Party not accepting such offer fails to obtain a more favorable judgment, the non-accepting Party shall not be entitled to recover its costs of suit and reasonable attorney’s fees and costs (even if it is the prevailing party) and shall be obligated to pay the costs of suit and reasonable attorney’s fees and costs incurred by the offering Party.

D. At the Town’s request, the Contractor will consent to being joined in litigation between the Town and third parties, but such consent shall not be construed as an admission of fault or liability. The Contractor shall not be responsible for delays in the performance of the Services caused by factors beyond its reasonable control including delays caused by Act of God, accidents, failure of any governmental or other regulatory authority to act in a timely manner or failure of the Town to furnish timely information or to approve or disapprove of Contractor’s Services in a timely manner.

13. MISCELLANEOUS.

A. Severability. If any provisions of this Agreement shall be determined to be void by any court of competent jurisdiction, then such determination shall not affect any other provision of this Agreement, and all such other provisions shall remain in full force and effect. It is the intention of the Parties hereto that if any provision of this Agreement is capable of two constructions, one of which would render the provision valid, then the provision shall have the meaning which renders it valid.

B. Entire Agreement. It is understood that there are no oral agreements between the Parties hereto affecting this Agreement, and this Agreement supersedes and cancels any and all previous negotiations, arrangements, brochures, agreements and understandings, if any, between
the Parties hereto or displayed by Town to Contractor with respect to the subject matter thereof, and none thereof shall be used to interpret or construe this Agreement. This Agreement is and shall be considered to be the only agreement between the Parties hereto and their respective successors and agents. All negotiations and oral agreements acceptable to both Parties have been merged into and are included herein. No provision of this Agreement may be amended or added to except by an agreement in writing signed by the Parties hereto or their respective successors in interest.

C. Waiver and Modification. The waiver by Town of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition on any subsequent breach of the same or any other term, covenant or condition herein contained. The subsequent acceptance of services hereunder by Town shall not be deemed to be a waiver of any preceding breach by Contractor of any term, covenant or condition of this Agreement. No modification of the terms of this Agreement shall be valid unless in writing and executed with the same formality as this Agreement, and no waiver of the breach of any provision of this Agreement shall be construed as a waiver of any subsequent breach of the same or any other provision hereof. If this Agreement is contingent upon approval by the Town Council, it is expressly agreed that, expect as may otherwise be provided by applicable statute or ordinance, no official of the Town has the authority to waive or modify any provision of this Agreement without formal approval of the Town Council.

D. Headings. The headings and titles in this Agreement are not a part of this Agreement and shall have no effect upon the construction or interpretation of any part hereof.

E. Time. Time is of the essence of this Agreement and each and all of its provisions in which performance is a factor.

F. Corporate Authority. If Contractor is a corporation, an LLC, an LLP, a limited partnership, a general partnership, an LLLP, or other non-natural entity, each individual executing this Agreement on behalf of said entity represents and warrants that they are duly authorized to execute and deliver this Agreement on behalf of said entity, in accordance with a duly adopted resolution of the board of directors, partners, or members of said entity or in accordance with the governing documents of said entity, and that this Agreement is binding upon said entity in accordance with its terms.

G. Notices. Any notice or other communication given by any of the Parties hereto to another relating to this Agreement shall be in writing and shall be deemed to have been duly given:

(I) On the date and at the time of delivery if delivered personally to the party to whom notice is given at the address specified in Section 1, above;

(II) On the date of delivery or attempted delivery shown on the return receipt if mailed to the party to whom notice is to be given by first class mail, sent by registered or certified mail, return receipt requested, postage prepaid and properly addressed as specified in Section 1, above; or

(III) Within twenty-four (24) hours after deposit with a nationally recognized
overnight courier or messenger service, properly addressed as specified in Section 1, above.

Either party may change such address by fifteen (15) days written notice to the other provided; however, the Parties may not designate more than one place and address to receive notices as provided in this Agreement.

H. Non—Assignment / No Third Party Beneficiaries. This Agreement is an agreement for services by which Contractor was selected for Contractor's special expertise. This Agreement may not be assigned by either Party with express written consent. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. It is the express intention of the Parties that any person other than the Parties receiving such services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

I. Open Records. The Parties understand that all material provided or produced under this Agreement may be subject to the Colorado Open Records Act, §§ 24-72-202, et seq., C.R.S.

J. Negotiated Provisions. This agreement shall not be construed more strictly against one Party than against the other merely by virtue of the fact that it may have been prepared by counsel for one of the Parties, it being acknowledged that each Party has contributed substantially and materially to the preparation of this Agreement.

K. Good Faith of Parties. In the performance of this Agreement, or in considering any requested approval, acceptance, or extension of time, the Parties agree that each will act in good faith and will not act unreasonably, arbitrarily, capriciously, or unreasonably withhold condition, or delay any approval, acceptance, or extension of time required or requested pursuant to this Agreement.

§ 3.3.3 Upon receipt of the Cost Consultant’s estimate at the conclusion of the Design Development Phase, the Architect shall take action as required under Sections 6.5 and 6.6 and request the Owner’s approval of the Design Development Documents.
§ 3.4 CONSTRUCTION DOCUMENTS PHASE SERVICES

§ 3.4.1 Based on the Owner's approval of the Design Development Documents, and on the Owner's authorization of any adjustments in the Project requirements and the budget for the Cost of the Work, the Architect shall prepare Construction Documents for the Owner's approval. The Construction Documents shall illustrate and describe the further development of the approved Design Development Documents and shall consist of Drawings and Specifications setting forth in detail the quality levels of materials and systems and other requirements for the construction of the Work. The Owner and Architect acknowledge that in order to construct the Work, the Contractor will provide additional information, including Shop Drawings, Product Data, Samples and other similar submittals, which the Architect shall review in accordance with Section 3.6.4.

§ 3.4.2 The Architect shall incorporate into the Construction Documents the design requirements of governmental authorities having jurisdiction over the Project.

§ 3.4.3 During the development of the Construction Documents, the Architect shall assist the Owner in the development and preparation of (1) bidding and procurement information that describes the time, place and conditions of bidding, including bidding or proposal forms; (2) the form of agreement between the Owner and Contractor; and (3) the Conditions of the Contract for Construction (General, Supplementary and other Conditions). The Architect shall also compile a project manual that includes the Conditions of the Contract for Construction and Specifications and may include bidding requirements and sample forms.

§ 3.4.4 Prior to the conclusion of the Construction Documents Phase, the Architect shall submit the Construction Documents to the Owner and the Cost Consultant. The Architect shall meet with the Cost Consultant to review the Construction Documents.

3. preparing responses to questions from prospective bidders and providing clarifications and interpretations of the Bidding Documents in the form of addenda.

§ 3.5.2.3 The Architect shall consider requests for substitutions, if the Bidding Documents permit substitutions, and shall prepare and distribute addenda identifying approved substitutions to all prospective bidders.

§ 3.6 CONSTRUCTION PHASE SERVICES

§ 3.6.1 GENERAL

§ 3.6.1.1 The Architect shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A201™—2007, General Conditions of the Contract for Construction. If the Owner and Contractor modify AIA Document A201—2007, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not control over, charge of, or responsibility for the construction means, methods, techniques,
sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor’s failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect’s negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

§ 3.6.1.3 Subject to Section 4.3, the Architect’s responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.2 EVALUATIONS OF THE WORK
§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.3.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and report to the Owner (1) known deviations from the Contract Documents and from the most recent construction schedule, and (2) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect’s response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect’s decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201—2007, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 CERTIFICATES FOR PAYMENT TO CONTRACTOR
§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect’s certification for payment shall constitute a representation to the Owner, based on the Architect’s evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor’s Application for Payment, that, to the best of the Architect’s knowledge, information and belief, the Work has progressed to the point indicated and that the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject (1) to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) to results of subsequent tests and inspections, (3) to correction of minor deviations from the Contract Documents prior to completion, and (4) to specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from
Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 SUBMITTALS
§ 3.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time in the Architect's professional judgment to permit adequate review.

§ 3.6.4.2 In accordance with the Architect-approved submittal schedule, the Architect shall review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by the Architect, of any construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review shop drawings and other submittals related to the Work designed or certified by the design professional retained by the Contractor that bear such professional's seal and signature when submitted to the Architect. The Architect shall be entitled to rely upon the adequacy, accuracy and completeness of the services, certifications and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to the provisions of Section 4.3, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth in the Contract Documents the requirements for requests for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 3.6.5 CHANGES IN THE WORK
§ 3.6.5.1 The Architect may authorize minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to the provisions of Section 4.3, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

§ 3.6.6 PROJECT COMPLETION
§ 3.6.6.1 The Architect shall conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion; receive from the Contractor and forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and assembled by the Contractor, and issue a final Certificate for Payment based upon a final inspection indicating the Work complies with the requirements of the Contract Documents.
§ 3.6.6.2 The Architect’s inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When the Work is found to be substantially complete, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

ARTICLE 4 ADDITIONAL SERVICES

§ 4.3 Additional Services may be provided after execution of this Agreement, without invalidating the Agreement. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.3 shall entitle the Architect to compensation pursuant to Section 11.3 and an appropriate adjustment in the Architect’s schedule.

§ 4.3.1 Upon recognizing the need to perform the following Additional Services, the Architect shall notify the Owner with reasonable promptness and explain the facts and circumstances giving rise to the need. The Architect shall not proceed to provide the following services until the Architect receives the Owner’s written authorization:

.1 Services necessitated by a change in the Initial Information, previous instructions or approvals given by the Owner, or a material change in the Project including, but not limited to, size, quality, complexity, the Owner’s schedule or budget for Cost of the Work, or procurement or delivery method, or bid packages in addition to those listed in Section 1.1.6;

.2 Services necessitated by the Owner’s request for extensive environmentally responsible design alternatives, such as unique system designs, in-depth material research, or LEED® certification;

.3 Changing or editing previously prepared Instruments of Service necessitated by the enactment or revision of codes, laws or regulations or official interpretations;

.4 Services necessitated by decisions of the Owner not rendered in a timely manner or any other failure of performance on the part of the Owner or the Owner’s consultants or contractors;

.5 Preparation of design and documentation for alternate bid or proposal requests proposed by the Owner;

.6 Preparation for, and attendance at a dispute resolution proceeding or legal proceeding, except where the Architect is party thereto;

.7 Evaluation of the qualifications of bidders or persons providing proposals;

.8 Consultation concerning replacement of Work resulting from fire or other cause during construction; or

§ 4.3.2 To avoid delay in the Construction Phase, the Architect shall provide the following Additional Services, notify the Owner with reasonable promptness, and explain the facts and circumstances giving rise to the need. If the Owner subsequently determines that all or part of those services are not required, the Owner shall give prompt written notice to the Architect, and the Owner shall have no further obligation to compensate the Architect for those services:

.1 Reviewing a Contractor’s submittal out of sequence from the submittal schedule agreed to by the Architect;

.2 Responding to the Contractor’s requests for information that are not prepared in accordance with the Contract Documents or where such information is available to the Contractor from a careful study and comparison of the Contract Documents, field conditions, other Owner-provided information, Contractor-prepared coordination drawings, or prior Project correspondence or documentation;

.3 Preparing Change Orders, and Construction Change Directives that require evaluation of Contractor’s proposals and supporting data, or the preparation or revision of Instruments of Service;

.4 Evaluating an extensive number of Claims as the Initial Decision Maker;

.5 Evaluating substitutions proposed by the Owner or Contractor and making subsequent revisions to Instruments of Service resulting therefrom; or

.6 To the extent the Architect’s Basic Services are affected, providing Construction Phase Services 60 days after (1) the date of Substantial Completion of the Work or (2) the anticipated date of Substantial Completion identified in Initial Information, whichever is earlier.
§ 4.3.3 If the services covered by this Agreement have not been completed within twenty-four (24) months of the date of this Agreement, through no fault of the Architect, extension of the Architect’s services beyond that time shall be compensated as Additional Services.

ARTICLE 5 OWNER’S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner’s objectives, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements. Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of or enforce lien rights.

§ 5.2 The Owner shall establish and periodically update the Owner’s budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner’s other costs; and, (3) reasonable contingencies related to all of these costs. If the Owner significantly increases or decreases the Owner’s budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the budget for the Cost of the Work or in the Project’s scope and quality.

§ 5.2.1 The Owner acknowledges that accelerated, phased or fast-track scheduling provides a benefit, but also carries with it associated risks. Such risks include the Owner incurring costs for the Architect to coordinate and redesign portions of the Project affected by procuring or installing elements of the Project prior to the completion of all relevant Construction Documents, and costs for the Contractor to remove and replace previously installed Work. If the Owner selects accelerated, phased or fast-track scheduling, the Owner agrees to include in the budget for the Project sufficient contingencies to cover such costs.

§ 5.3 The Owner shall identify a representative authorized to act on the Owner’s behalf with respect to the Project. The Owner shall render decisions and approve the Architect’s submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect’s services.

§ 5.4 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions and necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including invert and depths. All the information on the survey shall be referenced to a Project benchmark.

§ 5.5 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect’s request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner’s consultants. The Owner shall furnish the services of consultants other than those designated in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants maintain professional liability insurance and other liability insurance as appropriate to the services provided.

§ 5.6 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.

§ 5.7 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner’s needs and interests.

§ 5.8 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect’s Instruments of Service.

§ 5.9 Except as otherwise provided in this Agreement, or when direct communications have been specially authorized, the Owner shall endeavor to communicate with the Contractor and the Architect’s consultants through...
the Architect about matters arising out of or relating to the Contract Documents. The Owner shall promptly notify the Architect of any direct communications that may affect the Architect's services.

§ 5.10 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.

§ 5.11 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

ARTICLE 6 COST OF THE WORK

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work does not include the compensation of the Architect, the costs of the land, rights-of-way, financing, contingencies for changes in the Work or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and may be adjusted throughout the Project as required under Sections 5.3 and 6.4. Evaluations of the Owner's budget for the Cost of the Work represent the Architect's judgment as a design professional.

§ 6.3 If, prior to the conclusion of the Design Development Phase, the estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.4 If the estimate of the Cost of the Work at the conclusion of the Design Development Phase exceeds the Owner's budget for the Cost of the Work, the Owner shall

1. give written approval of an increase in the budget for the Cost of the Work;
2. in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
3. implement any other mutually acceptable alternative.

§ 6.5 If the Owner chooses to proceed under Section 6.4.2, the Architect, without additional compensation, shall incorporate the required modifications in the Construction Documents Phase as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Design Development Phase Services, or the budget as adjusted under Section 6.4.1. The Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility as a Basic Service under this Article 6.

§ 6.6 After incorporation of modifications under Section 6.5, the Architect shall, as an Additional Service, make any required revisions to the Drawings, Specifications or other documents necessitated by subsequent cost estimates that exceed the Owner's budget for the Cost of the Work, except when the excess is due to changes initiated by the Architect in scope, basic systems, or the kinds and quality of materials, finishes or equipment.

ARTICLE 7 COPYRIGHTS AND LICENSES

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project. If the Owner and Architect intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmissions.

§ 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.
§ 7.3 Upon execution of this Agreement, the Architect grants to the Owner a nonexclusive license to use the Architect’s Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations, including prompt payment of all sums when due, under this Agreement. The Architect shall obtain similar nonexclusive licenses from the Architect’s consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and material or equipment suppliers, as well as the Owner’s consultants and separate contractors, to reproduce applicable portions of the Instruments of Service solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect’s consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner’s use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner’s sole risk and without liability to the Architect and the Architect’s consultants.

ARTICLE 8 CLAIMS AND DISPUTES
§ 8.1 GENERAL
§ 8.1.1 The Owner and Architect shall commence all claims and causes of action, whether in contract, tort, or otherwise, against the other arising out of or related to this Agreement in accordance with the requirements of the method of dispute resolution selected in this Agreement within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201–2007, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents and employees of any of them similar waivers in favor of the other parties enumerated herein.

§ 8.1.3 The Architect shall indemnify and hold the Owner and the Owner’s officers and employees harmless from and against damages, losses and judgments arising from claims by third parties, including reasonable attorneys’ fees and expenses recoverable under applicable law, but only to the extent they are caused by the negligent acts or omissions of the Architect, its employees and its consultants in the performance of professional services under this Agreement. The Architect’s duty to indemnify the Owner under this provision shall be limited to the available proceeds of insurance coverage.

§ 8.1.4 The Architect and Owner waive consequential damages for claims, disputes or other matters in question arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party’s termination of this Agreement, except as specifically provided in Section 9.7.

§ 8.2 MEDIATION
§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect’s services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.
§ 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of the Agreement. A request for mediation shall be made in writing, delivered to the other party to the Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.

§ 8.2.3 The parties shall share the mediator’s fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.2.4 If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:
(Check the appropriate box: If the Owner and Architect do not select a method of binding dispute resolution below, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.)

§ 8.3 ARBITRATION

§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of the Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

§ 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.

§ 8.3.2 The foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.4 CONSOLIDATION OR JOINER

§ 8.3.4.1 Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).
§ 8.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

§ 8.3.4.3 The Owner and Architect grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Architect under this Agreement.

ARTICLE 9 TERMINATION OR SUSPENSION
§ 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect’s option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days’ written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Architect shall be paid all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect’s services. The Architect’s fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Architect shall be compensated for expenses incurred in the interruption and resumption of the Architect’s services. The Architect’s fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days’ written notice.

§ 9.4 Either party may terminate this Agreement upon not less than seven days’ written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.

§ 9.5 The Owner may terminate this Agreement upon not less than seven days’ written notice to the Architect for the Owner’s convenience and without cause.

§ 9.6 In the event of termination not the fault of the Architect, the Architect shall be compensated for services performed prior to termination, together with Reimbursable Expenses then due and all Termination Expenses as defined in Section 9.7.

§ 9.7 Termination Expenses are in addition to compensation for the Architect’s services and include expenses directly attributable to termination for which the Architect is not otherwise compensated, plus an amount for the Architect’s anticipated profit on the value of the services not performed by the Architect.

§ 9.8 The Owner’s rights to use the Architect’s Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 11.9.

ARTICLE 10 MISCELLANEOUS PROVISIONS
§ 10.1 This Agreement shall be governed by the law of the place where the Project is located, except that if the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.

§ 10.2 Terms in this Agreement shall have the same meaning as those in AIA Document A201–2007, General Conditions of the Contract for Construction.

§ 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the
written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner’s rights and obligations under this Agreement.

§ 10.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services or responsibilities beyond the scope of this Agreement.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with or as a cause of action in favor of a third party against either the Owner or Architect.

§ 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

§ 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect’s promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect’s materials shall not include the Owner’s confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner’s promotional materials for the Project.

§ 10.8 If the Architect or Owner receives information specifically designated by the other party as “confidential” or “business proprietary,” the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except to (1) its employees, (2) those who need to know the content of such information in order to perform services or construction solely and exclusively for the Project, or (3) its consultants and contractors whose contracts include similar restrictions on the use of confidential information.

ARTICLE 11 COMPENSATION
§ 11.1 For the Architect’s Basic Services described under Article 3, the Owner shall compensate the Architect as follows:
(Insert amount of, or basis for, compensation.)

$287,800.00

§ 11.2 For Additional Services designated in Section 4.1, the Owner shall compensate the Architect as follows:
(Insert amount of, or basis for, compensation. If necessary, list specific services to which particular methods of compensation apply.)

To be determined

§ 11.3 For Additional Services that may arise during the course of the Project, including those under Section 4.3, the Owner shall compensate the Architect as follows:
(Insert amount of, or basis for, compensation.)

To be determined

§ 11.4 Compensation for Additional Services of the Architect’s consultants when not included in Sections 11.2 or 11.3, shall be the amount invoiced to the Architect plus five percent (5 %), or as otherwise stated below:

§ 11.5 Where compensation for Basic Services is based on a stipulated sum or percentage of the Cost of the Work, the compensation for each phase of services shall be as follows:

§ 11.8 COMPENSATION FOR REIMBURSABLE EXPENSES
§ 11.8.1 Reimbursable Expenses are in addition to compensation for Basic and Additional Services and include expenses incurred by the Architect and the Architect's consultants directly related to the Project, as follows:
.1 Transportation and authorized out-of-town travel and subsistence;
.2 Long distance services, dedicated data and communication services, teleconferences, Project Web sites, and extranets;
.3 Printing, reproductions, plots, standard form documents;
.4 Postage, handling and delivery;
.5 Expense of overtime work requiring higher than regular rates, if authorized in advance by the Owner;
.6 Renderings, models, mock-ups, professional photography, and presentation materials requested by the Owner;
.7 Architect's Consultant's expense of professional liability insurance dedicated exclusively to this Project, or the expense of additional insurance coverage or limits if the Owner requests such insurance in excess of that normally carried by the Architect's consultants;
.8 All taxes levied on professional services and on reimbursable expenses;
.9 Site office expenses; and
.10 Other similar Project-related expenditures.
.11 Dedication of easements.

§ 11.8.2 For Reimbursable Expenses the compensation shall be the expenses incurred by the Architect and the Architect's consultants plus ten percent (10%) of the expenses incurred.

§ 11.9 COMPENSATION FOR USE OF ARCHITECT'S INSTRUMENTS OF SERVICE
If the Owner terminates the Architect for its convenience under Section 9.5, or the Architect terminates this Agreement under Section 9.3, the Owner shall pay a licensing fee as compensation for the Owner's continued use of the Architect's Instruments of Service solely for purposes of completing, using and maintaining the Project as follows:

§ 11.10 PAYMENTS TO THE ARCHITECT
§ 11.10.1 An initial payment of zero ($0) shall be made upon execution of this Agreement and is the minimum payment under this Agreement. It shall be credited to the Owner's account at the final invoice.

§ 11.10.2 Unless otherwise agreed, payments for services shall be made monthly in proportion to services performed. Payments are due and payable upon presentation of the Architect's invoice. Amounts unpaid thirty (30) days after the invoice date shall bear interest at the rate entered below, or in the absence thereof at the legal rate prevailing from time to time at the principal place of business of the Architect.

(Insert rate of monthly or annual interest agreed upon.)

One point five % 1.5% monthly

§ 11.10.3 The Owner shall not withhold amounts from the Architect's compensation to impose a penalty or liquidated damages on the Architect, or to offset sums requested by or paid to contractors for the cost of changes in the Work unless the Architect agrees or has been found liable for the amounts in a binding dispute resolution proceeding.

§ 11.10.4 Records of Reimbursable Expenses, expenses pertaining to Additional Services, and services performed on the basis of hourly rates shall be available to the Owner at mutually convenient times.
