Spring is here and so are the Noxious Weeds!

Just a friendly reminder that the Town of Timnath has a noxious weed ordinance which prohibits weeds taller than 8 inches. Spring time is also a great time to take a look at dead/broken tree limbs and brush that may be diseased and may need to be removed. If you would like further information regarding weed control please visit www.co.larimer.co.us/weeds.

Adopt a Street

Want to give back? Timnath residents now have the opportunity to work with Public Works and “adopt” street sections within the Town. Come help the Town’s effort of keeping Timnath beautiful and maintaining litter-free streets and roadways. You may contact Megan at mgarn@timnathgov.com or at 970-224-3211 for more information.

Enjoy the Timnath Reservoir

All 2017 Timnath Reservoir shore passes have been sent out to Timnath residents. If you have not received shore pass, come to the Timnath Administration Building at 4800 Goodman Street with proof of residency and staff will be more than happy to provide you with a shore pass.
