TOWN OF TIMNATH, COLORADO  
ORDINANCE NO. 7, SERIES 2017

TO BE KNOWN AS THE FISHER ANNEXATION TO THE TOWN OF TIMNATH,

WHEREAS, the Town and Petitioners wish to enter into an annexation agreement (Exhibit C).

OF TIMNATH, COLORADO:

Section 1. Findings.

The Council hereby finds that a Petition for Annexation, together with four (4) copies of the 
anexation map as required by law, was filed with the Town Council on July 15, 2015, by the 
owners of over fifty percent (50%) of the area of the property hereinafter described in EXHIBIT 
A (legal description) and EXHIBIT B (annexation map), and comprising more than fifty percent 
(50%) of the landowners of the property to be annexed, exclusive of public streets and alleys.

A properly noticed public hearing was held on December 7, 2016 regarding said Petition in 
accordance with C.R.S.§ 31-12-108, at which all persons interested in such Petition were 
provided an opportunity to be heard.

The Council by resolution at the public hearing accepted said Petition and found and determined 
that the applicable parts of the Municipal Annexation Act of 1965, as amended, have been met
and further determined that an election was not required under the Act and that no additional terms and conditions were to be imposed upon said annexation.

The contiguity required by CRS Sec. 31-12-104(1)(a) exists in that the property annexed hereby has at least one-sixth boundary contiguity with a present municipal boundary of the Town.

The Property is eligible for annexation and should be annexed to the Town of Timnath.

An Annexation Agreement between the property owners and the Town has been prepared, is incorporated herein, and approved (EXHIBIT C).

ANNEXATION AGREEMENT
FOR THE FISHER FARM ANNEXATION

THIS ANNEXATION AGREEMENT ("Agreement"), is made and entered into to be effective the 14th day of February, 2017, by and between Town of Timnath, a Colorado municipal corporation ("Town") and Lorson South Land Corp., a Colorado Corporation ("Property Owner" and collectively, the "Parties") and is made concerning the real property described on Exhibit A, attached hereto and incorporated herein by reference ("the Property"), and generally known as the Fisher Farm.

WITNESSETH:

WHEREAS, the Property consists of approximately 242 acres, more or less, located at the southwest corner of County Road 5 and County Road 42E; and

WHEREAS, Town and Property Owner will be entering into a subdivision improvement agreement (the ("SIA"), which will be recorded in the real estate records of Larimer County, Colorado, and which will govern the construction of public improvements on the property and will serve as a condition precedent to approval by the Town of any future plat or plats associated with the Property; and

WHEREAS, it is the intent of Parties that this Agreement contains all the obligations of Parties which shall be performed by Parties with respect to annexation of the Property.

NOW, THEREFORE, in consideration of the foregoing and the terms, covenants, conditions and provisions hereinafter set forth and other good and valuable consideration, the receipt and adequacy of which are hereby confessed and acknowledged, Parties hereto agree as follows:

AGREEMENT

1. Purpose. The purpose of this Agreement is to set forth the terms and conditions for annexation and development of the Property within the Town, and the fees to be paid by Property Owner upon annexation of the Property. All conditions contained herein are in addition to any and all requirements of Town and applicable state statutes, and are not intended to supersede such requirements, except as specifically provided in this Agreement. All exhibits attached hereto are incorporated herein by this reference and are an integral part hereof.

2. Annexation of Property. The Property shall be annexed to Town by ordinance, not by election, in accordance with the terms of this Agreement, including [ANY INCLUDED RIGHTS OF WAY AND ROADS], as shown on the annexation map attached hereto as Exhibit B. The annexation of the Property is subject to this Agreement and the Subdivision Improvement Agreement executed contemporaneously herewith.

3. Zoning and Development of the Property. The Property will be zoned R2 and MU. Property Owner will develop the Property in accordance with a final plat to be subsequently approved by the Town. The Property, or any portion thereof, may be rezoned or
the Final Plat amended with the consent of Town and Property Owner, but without amending or modifying this Agreement.

4. **Water Utilities.** Property Owner shall obtain water service from the East Larimer County Water District.

5. **Sanitary Sewer Utilities.** Property Owner shall obtain sewer service from Boxelder Sanitation District.

6. **Utilities and Infrastructure.** Parties recognize that Town does not provide infrastructure to serve the Property and Property Owner will be responsible for extending all utilities and streets to serve the Property. Failure of Property Owner to obtain utilities or provide streets to the Property shall not be grounds for disconnection.

7. **Water and Water Rights.** Property Owner acknowledges that Property Owner shall be required to meet Town Code requirements for irrigation of common areas, open space areas, and parks. Property Owner shall not be required to provide to Town any water or water rights, well or well rights, reservoir or storage rights, stock in mutual ditch and irrigation companies, or any other water or water rights appurtenant to or historically used in connection with the Property except as otherwise set forth herein.

8. **Fire Protection Services.** The Property Owner acknowledges and represents that Property Owner has submitted a Petition for Exclusion from the fire protection district currently serving the Property, as necessary, and that Property Owner has submitted a Petition for Inclusion into the Poudre Valley Fire Protection District.

9. **Coordination with Adjacent Properties.** Property Owner shall coordinate with owners of properties within Town adjacent to the Property to provide pedestrian and vehicular access between the Property and the adjacent properties as may be necessary to implement Town’s current transportation plan.

10. **Obligations Run with the Land.** This Agreement and the annexation map shall be recorded in the real estate records of Larimer County and all obligations herein shall run with the land and shall be binding upon and inure to the benefit of Parties hereto and their respective heirs, personal representatives, successors, and, to the extent permitted, assigns as the case may be.

11. **Cure of Legal Defects.** In the event that the annexation or zoning of the Property or any portion of this Agreement, is declared void or unenforceable by final court action, Parties shall cooperate to cure any legal defects cited by the court, and immediately upon such cure, Town shall reinstitute and complete proceedings to annex and zone the Property according to the terms of this Agreement and to otherwise carry out the terms and provisions hereof.

12. **Vested Property Rights.**

   a. **Acknowledgements.** Parties acknowledge the following:
(1) The Property is estimated to have a minimum of three (3) year build-out period for each phase of development and is expected to be constructed within 9 years in total for the initial three phases of development.

(2) Property Owner will be required to make substantial financial commitments and complete major public infrastructure improvements for the development of the Property.

(3) A material consideration of Property Owner's annexation of the Property and Property Owner's willingness to develop the Property within Town (rather than developing the Property within the County or another municipality) is Town’s agreement to permit development of the Property in accordance with the terms and conditions of this Agreement and the Final Plat, particularly the vested property rights granted herein.

b. Vested Rights Created. Consistent with purpose of this Agreement, the Parties hereby agree that the Concept Plan attached hereto as Exhibit D shall constitute a "site specific development plan" as defined in C.R.S. § 24-68-102(4); that certain rights shall be vested property rights as provided in this Agreement; and that the Property Owner shall have a vested property right to undertake and complete development and use of the Property in accordance with the Concept Plan, Permitted Uses, and this Agreement. The rights and obligations under this Agreement shall vest in the Property Owner and their designated successors and assigns as benefits and burdens to the land and which shall run with title to the land; provided, however, that nothing herein contained shall be construed to require or obligate the Property Owner to develop the Property in accordance with the Concept Plan.

c. Rights Which Are Vested. In consideration of the acknowledgements described in subsection 12(a) above, the public benefit to be derived from development of the Property within the Town, and the obligations and commitments of the Owners pursuant to this Agreement, the vested property rights granted herein shall specifically include the Town's express agreement, as a material term hereof, that the Town Council will take no action which would unilaterally: (a) materially change any term or condition of this Agreement; (b) impose a moratorium on development within the Property which would materially delay development of the Property; (c) materially limit the number of building or utility permits to which the Property would otherwise be entitled to under an approved Final Plat consistent with this Agreement; or (d) materially restrict the use of the
Property as permitted under the Permitted Uses, all with the consent of the Property Owners.

d. Term of Vested Rights. The Concept Plan attached hereto as Exhibit D shall be vested for a period of three (3) years from the date the Annexation Petition is approved by the Town (the "Vesting Period"). Thereafter extended vested property rights shall be granted according to the following provisions and expressly on the conditions stated herein and in the Subdivision Improvement Agreement executed contemporaneously herewith. Such extended vested property rights shall be available to Property Owner for each "Phase" (defined below) of proposed development of the Property, as depicted in Exhibit C attached hereto and incorporated herein by this reference, shall be subject to vesting of property rights, conditionally and serially, as follows:

The initial Vesting Period shall be determined and defined at the time of final plat. However, it is currently anticipated that each phase of development shall require three (3) years to construct from the time of each phase of development’s approval by the Town. Based upon the current development and phasing plan, through December 31, 2028 (unless otherwise approved by the Parties by mutual agreement).

(1) If Phase I is “completed through build-out” by December 31, 2019, provided there is approval received by the Town of Timnath for phase I development prior to December 31, 2019, the Vesting Period shall be extended through December 31, 2022, on condition that Property Owner applies to Town by December 31, 2019, and receives from Town, in writing, a letter authorized by Town Council concurring that Phase I has been completed through build-out by December 31, 2019.

(2) If Phase II is completed through build-out by December 31, 2022, the Vesting Period shall be extended through December 31, 2025, on condition that Property Owner applies to Town by December 31, 2022, and receives from Town, in writing, a letter authorized by Town Council concurring that Phase II has been completed through build-out by December 31, 2022.

(3) If Phase III is completed through build-out by December 31, 2025, the Vesting Period shall be extended through December 31, 2028, on condition that Property Owner applies to Town by December 31, 2025, and receives from Town, in writing, a letter authorized by Town Council concurring that Phase III has been completed through build-out by December 31, 2025.
For purposes of extended vested rights, the term "completed through build-out" shall mean, as respects a Phase of the Property, that (i) all public improvements required by Town for such Phase (per Town Code or agreement between Parties) have been constructed by Property Owner and that Initial Acceptance and provision to Town of Warranty Security has occurred pursuant to the Subdivision Improvement Agreement, (ii) that the Water District and the Sewer District have finally accepted the water and wastewater improvements and evidence thereof has been provided to Town, and (iii) that all obligations of Property Owner in the Amended and Restated Subdivision Improvement Agreement and this Agreement as the same may affect Property within such Phase have been performed to the satisfaction of Town in its sole reasonable discretion.

e. Limitation on Vested Rights. Notwithstanding anything in this Section to the contrary, in no event shall the vested rights granted herein prevent Town, by its citizens through initiative or referendum or by Town Council, from acting as reasonably necessary to protect property, businesses or residents within the Town from natural or man-made hazards, which hazards if uncorrected would pose a serious threat to the public health, safety and welfare of residents, businesses or properties within Town.

f. Infrastructure Standards. Parties acknowledge and agree that Town Code and Town’s then-existing design and construction standards shall be applicable to all future construction of items historically considered to be public in nature, including generally, water lines, sewer lines, streets, drainage improvements, park improvements, traffic safety and control devices, etc. common to similar developments in Town. Accordingly, the vested rights previously granted and extended herein shall not include design and construction standards for public improvements. With regard to adjacent or prior constructed streets, Property Owner shall be responsible for upgrading or improving adjacent streets in accordance with the Town Code in effect at the time of development plan approval.

13. Town Ordinances, Regulations, Codes, Policies, and Procedures. To the extent consistent with vested property rights granted above, the provisions of this Agreement, and the Final Plat, the Parties agree that all current and future Town ordinances, regulations, codes, policies and procedures (collectively, "Regulations") shall be applicable to the use and development of the Property. If such Regulations are inconsistent with the vested property rights granted herein, such inconsistent Regulations shall apply to development of the Property only if, in Town’s sole reasonable discretion, such Regulations are necessary to preserve the public’s health, safety and welfare. If the Property is replatted in any manner, all Regulations in effect at the time of replat shall be applicable to the use and development of the Property or portion of the Property that is subject to the replat. With regard to oil and gas rights, the Town agrees to work reasonably will not unreasonable withhold or delay any applications for gas & oil operations on the Property in accordance with and consistent with the Town policies and regulations in place.
with regard to oil and gas drilling and operations within the boundaries of the Town in effect at the time of approval of this Agreement.

14. If the development is considered a subdivision under the Regulations and a fee-in-lieu of dedication of land is due, such fee-in-lieu shall be due at such time as dedication of land would otherwise be required. The timing and procedures for determining the requirements, notices, or payment of a fee-in-lieu of dedication of land will be subject to written agreement between the Property Owner and the Town in accordance with the Subdivision Improvement Agreement (to be negotiated and agreed upon pursuant to the Town Regulations).

15. **Breach by Property Owner - Town's Remedies.** In the event of a breach of any of the terms and conditions of this Agreement by Property Owner, and until such breach is corrected, the Town may take such actions as are permitted and/or authorized by the ordinances of the Town, this Agreement, and/or other law as the Town reasonably deems necessary in order to protect the public health, safety and welfare; to protect lot buyers and builders; and to protect the citizens of Town from undue hardship and undue risk. These remedies include, but are not limited to:

   a. The refusal to issue any building permit;
   
   b. The revocation of any building permit previously issued under which construction directly related to such building permit has not commenced, except a building permit previously issued to a third party;
   
   c. Refusal to accept further land use applications for the Property;
   
   d. Disconnection of the Property from Town;
   
   e. Specific performance of this Agreement;
   
   f. Placement of a lien on the Property to be collected with the property taxes;
   
   g. Any other remedy available at law or equity.

Unless necessary to protect the immediate health, safety and welfare of Town or to protect Town's interest with regard to security given for the completion of the public improvements, Town shall provide Property Owner thirty (30) days prior written notice of its intent to take any action under this paragraph, specifying the claimed breach or default of such person or entity. If during such thirty (30) day period Property Owner commences to cure the breach described in the notice and proceeds reasonably thereafter to cure the breach, any action taken by Town to enforce this Agreement shall be discontinued and no further action shall be taken by Town to the extent that the Property Owner diligently pursues the cure to completion.

16. **Breach by Town: Property Owner's Remedies.** Property Owner shall have any and all remedies against Town for breach of this Agreement available at law or in equity for a material breach of this Agreement by Town, including the right to seek statutory disconnection
for a material breach which substantially impairs Property Owner’s ability to develop the Property.

17. **Attorney’s Fees.** In the event of any litigation to enforce or construe the terms of this Agreement, the substantially prevailing party shall be entitled to payment of its costs of litigation, including attorney fees, by the other party.

18. **Acknowledgement.** It is expressly understood that Town cannot be legally bound by the representations of any of its officers or agents or their designees except in accordance with Town Code and the laws of the State of Colorado. Nothing contained in this Agreement shall constitute or be interpreted as a repeal of existing codes or ordinances, or as a waiver or abrogation of Town’s legislative, governmental, or police powers to promote and protect the health, safety and general welfare of Town or its inhabitants; nor shall this Agreement prohibit the enactment by Town of any fee that is of uniform or general application.

19. **Notice.** All notices required under this Agreement shall be in writing and shall be hand-delivered or sent by facsimile, or sent by registered or certified mail, return receipt requested, postage prepaid, to the addresses of Parties herein set forth. All notices so given shall be considered effective on the date of delivery, or facsimile if sent during normal business hours, or seventy-two (72) hours after deposit in the United States mail with the proper address as set forth below. Property Owner and the undersigned individuals understand that the Town is relying on such representations and warranties in entering into this Agreement.

22. ** Entire Agreement - Amendments.** This Agreement embodies the whole agreement of the Parties with respect to the annexation of the Property to the Town and development of the Property within the Town. There are no promises, terms, conditions, or obligations other than those contained herein, which shall supersede all previous communications, representations or agreements, either verbal or written, between the Parties hereto. This Agreement may be amended only by written agreement between the Property Owner and the Town. In the event that the Property is subdivided and lots are sold to different individuals in the future, this Agreement may be amended by agreement between the Property Owner and the Town, without consent of such lot owners to the extent such amendment does not adversely affect such other lot owners in a material manner.

23. ** Severability.** If any part, term, or provision of this Agreement is held by the courts to be illegal or in conflict with any law of the State of Colorado, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of Parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid, and Parties shall cooperate to cure any such defect.

24. ** Effective Date-Termination.** This Agreement shall be effective and binding upon both Parties but shall not affect the effective date of the ordinance annexing the Property to
Town. This Agreement shall be terminated and considered null and void on the date of
disconnection if the Property is subsequently disconnected from Town.

25. **Further Assurances.** The parties shall execute such additional documents and take
such additional action as may be necessary to effectuate the intent of this Agreement.

26. **No Duress.** Parties agree that this Agreement is freely and voluntarily executed
by them after extensive negotiations between them and an opportunity for each party to obtain
legal advice.

27. **Execution and Counterparts.** This Agreement may be executed and filed in any
number of counterparts, all of which when taken together shall constitute the entire agreement of
Parties. Signature pages may be removed from any counterpart and attached to another
counterpart to constitute a single document.

28. **Governing Law.** This Agreement shall be governed by and construed in
accordance with the laws of the State of Colorado. Should any party institute legal suit or action
for enforcement of any obligation contained herein, it is agreed that exclusive venue of such suit
or action shall be in Larimer County, Colorado.

29. **Time is of the Essence.** Time is of the essence for both parties with respect to the
obligations herein. The Parties agree that they will each act in as expeditious a manner as is
reasonably possible in performing the obligations herein.

30. **Third Party Beneficiaries.** This Agreement is made by and between Parties and
their successors and, to the extent permitted, assigns and solely for their benefit. No third
parties, including but not limited to adjacent property owners and/or individual lot owners or
buyers, shall be entitled to enforce the duties or enjoy the rights created herein.
