TOWN CLEANUP AND APPRECIATION DAY: APRIL 21

All Timnath residents are invited to participate in our Town Clean Up and Appreciation Day on Saturday, April 21 to help with the (sometimes daunting!) task of spring cleaning.

From 8 a.m. – noon on the 21st, Timnath residents can stop by Timnath Elementary School or Bethke Elementary School to dispose of unwanted items for free in the large dumpsters that will be available on a first-come, first-served basis until filled. Please bring your driver’s license or other proof of residency because this event is for Timnath residents only.

In addition to the dumpsters, Brand Spanking Used, a Fort Collins thrift store, will be onsite to collect donations. They will be accepting furniture that is still in usable condition, clothing, costumes, jewelry, housewares, sporting goods, office supplies, records, books and more.

A complimentary wood chipper will be available by reservation. Branches and debris must be placed on your curb by sundown on Friday, April 20 to be picked up. Please contact Susan Bieber at sbieber@timnathgov.com by Monday, April 16 to reserve your spot.

We kindly ask that residents refrain from disposing of hazardous materials, electronics, rocks, dirt, carcasses, appliances, oils or paints.

Thank you for caring for our environment, and please take this opportunity to clean up and clear out your homes!
Now is the perfect time to teach your family about safety! The Timnath Police Department, in partnership with Safe Kids Larimer County, is proud to present the Second Annual Timnath Safety Fair.

The Safety Fair will be held at Timnath Community Park, 5500 Summerfields Parkway, on Sunday, April 29 from 11:30 a.m.-2:30 p.m. Come visit with members of the Timnath Police Department, as well as members of Colorado State Patrol, Larimer County SWAT, Poudre Fire Authority, Larimer County Dive Rescue, Larimer County K-9 Unit, Airlink Medical Helicopter, Northern Colorado Bomb Squad and UCHealth EMS.

The Fair will include safety demonstrations, delicious eats from local food trucks, games, giveaways and a whole lot of fun!

SECOND ANNUAL TIMNATH SAFETY FAIR:
APRIL 29

THANK YOU TO THE LEAGUE OF WOMEN VOTERS OF LARIMER COUNTY!

The Town of Timnath would like to say thank you to the League of Women Voters of Larimer County for moderating the Timnath Council Candidate Forum.

The Forum was held March 19 at the Timnath Administration Building. Residents had the opportunity to learn where candidates stood on important Town issues and how they plan on shaping the future of our community.

The League provided excellent direction for the forum and helped all in attendance get to know the candidates. Thank you to all involved!
CODE ENFORCEMENT UPDATES

As we transition into the warmer weather, we would like to remind everyone of some common Code Enforcement violations and ask that everyone do their part in keeping our community beautiful as well as safe.

Listed below are some of the most common violations of the Timnath Municipal Code, along with a short explanation.

7-1-100(a)(b): Weeds and Grass
Per the Town Code, grass heights may not exceed 8 inches as measured from ground level. Noxious weed growth must also be properly removed to prevent the aggressive overgrowth into other properties. Maintaining grass and noxious weeds keeps Timnath looking sharp and reduces potential fire hazards and discourages unwanted animals hiding out in the grass.

8-2-20: Parking Restrictions on RV’s, Campers, Trailers, Boats, etc.
Parking of any of the above in the streets is prohibited. You are allowed one period per calendar month of up to 72 hours. However, do not be alarmed if the Code Enforcement Officer posts a Courtesy Notice on your door or camper. This is simply a friendly reminder that you have up to 72 hours to move the unit. After the 72 hours has passed, a summons may be issued. Keeping these items on private property requires they be stored in the backyard areas, and properly screened from view.

7-2-180: Illegal or Inoperable Vehicles
All vehicles must be fully operable and legal (current license plates and registration tags). Vehicles that are inoperable or illegal may be stored within a closed structure. Covering the vehicle or trying to conceal the expiration date is not allowed and is still enforceable.

10-3-30 Obstructions of the Right-of-Way
Common obstructions are the portable basketball hoops being left in the street or on sidewalks, or large piles of rock, sand, etc. These obstructions can be especially dangerous with children playing in the streets as cars are passing by, or other residents driving home at night who may not be able to clearly see these items. Please help us to avoid unnecessary accidents by keeping these things in a proper, and safe area.

Thank you for doing your part!
TIMNATH RESERVOIR
POLICY UPDATES

As boating season quickly approaches, here are just a few reminders regarding Timnath Reservoir.

The Town leases Timnath Reservoir for the enjoyment of Timnath residents and their guests. Residents wishing to use watercraft (motorized or non-motorized) on Timnath Reservoir must obtain a permit for a fee. The Reservoir is open to Timnath Growth Management Area (GMA) residents and Colorado anglers for shore use and nonmotorized boating and must obtain a permit for a fee.

Please keep in mind that there are specific regulations for motorized boating:

• There is a limit of 10 motorized boats on the reservoir at any one time.
• Motorized boat operations are limited to Thursday through Saturday and the first, third and fifth Sunday of the Month from 7 a.m.-7:30 p.m. or sunset, whichever is earliest.
• Motorized boating is allowed on the first, third, and fifth Sunday of the Month.
• Motorized boating is allowed on Mondays that are designated national holidays.
• No boating is allowed before dawn or after sunset.

In order to obtain a permit, residents, GMA residents and Colorado anglers must complete an online application. Full details may be found at timnath.org/living/timnath-reservoir.

BOAT RENTALS

If you’d like to try out the boating life at the Reservoir but aren’t quite ready to own one, try renting a boat through Buddy Boating, LLC.

Buddy Boating is a membership-based boating group that allows approved members access to well-maintained and late-model boats. In order to be part of this group, you will be required to take a training class on safety and boat operations.

Learn more about boat rentals at timnath.org/updates/boat-rental-now-available-timnath-residents/.
TOWN TO SPRAY FOR MOSQUITOS

Don’t let mosquitos ruin your summer! To help keep the mosquito population under control, the Town of Timnath will once again be spraying for mosquitos this summer.

For more than a decade, the Town has performed cost effective biorational Integrated Mosquito Management to monitor and reduce mosquito populations. We use environmentally friendly techniques in order to protect our residents from the threat of mosquito-borne diseases.

Keep checking the Town’s website and Facebook page for updates on when the spraying will occur. Thank you for your cooperation as we keep our community safe.

PARK PAVILION RENTALS

Looking to host your next birthday party, family reunion or company outing at the Timnath Community Park? Rent out the pavilion for your guests!

The pavilion may be rented at a low cost so that your event can be a success:

- $40 nonrefundable fee
- $50 cleanup/damage deposit (refundable)

For full details and to submit an application, visit timnath.org/living/pavilion-rental/

THANK YOU FOR PARTICIPATING IN THE TOWN SURVEY!

The Town of Timnath would like to thank everyone who participated in the Town survey. The survey was sent to all residents in March and asked for residents’ opinions on important Town issues, events and policies.

We would also like to thank everyone who participated in the Town’s focus groups and attended the Open House in March. Your feedback is important to us as we set goals and plan for the future. We look forward to taking your thoughts into consideration as we continue developing our town.
