COLORADO FEED & GRAIN HOSTS FARMER’S MARKET

Spend a day in Old Town Timnath enjoying artisan foods, gifts, décor and music! Colorado Feed & Grain, located at 4138 Main St., is hosting Timnath’s first Summer Farmer’s Market series. The last event of the three-month series will be held on Sunday, Aug. 5 from 10 a.m.-2 p.m. Come and enjoy handmade goodies and crafts made in your home town!

TIMNATH CELEBRATES 4TH OF JULY AT THE RESERVOIR!

‘Thank you to everyone who made Timnath’s 4th of July Celebration a huge success! The celebration took place at Timnath Reservoir and included numerous activities for the whole family – a human hamster ball, jousting, a rock wall, an inflatable bounce house, human foosball, etc. In addition, attendees enjoyed delicious eats from local food trucks and live music from Hot Tomatoes.

Most importantly, the spectacular pyromusical fireworks display topped off the night, leaving the audience “oohing” and “ahhing.”

We are so incredibly grateful for all who celebrated with us and especially our generous event sponsors: Springhaus, Hartford Homes, Harmony Club, D.R. Horton, Pedersen Toyota, TRI 102.5, 99.9 The Point, Walmart, Fort Collins Coloradoan, and Connell Resources. Thank you for making this event possible!
Back for a second year is the Timnath Community Park Concert Series! Enjoy live music in the pleasant setting of the Timnath Community Park, 5500 Summerfields Pkwy. These free concerts run from 6:30-8:30 p.m. and are a great way to unwind on your summer evening and try out some local food trucks!

On Thursday, July 19, The 14ers will hit the stage. This “mountaintop folk-pop” band features front man Ryan Kirkpatrick, backed by Barry Bates on the drums, Stu Cruden on the bass, Jacob Anderson on the keys and Paul Martin on the electric guitar.

Wrapping up the series on Thursday, Sept. 6 is Soul School. This 10-person band boasts an entertainment experience that is sure to get audiences up and grooving to the beat! Their vast repertoire includes golden oldies, beach, Motown, country, jazz, rock, funk, rhythm and blues and contemporary – a little something for everyone!
TIMNATH CONTINUES MOSQUITO CONTROL EFFORTS

To keep your summers healthy and pleasant, the Town of Timnath is taking extensive efforts to reduce mosquitoes in town. Vector Disease Control has begun putting traps out and will schedule fogging as the traps dictate.

During fogging operations, we recommend taking the following safety measures:

• Remain indoors when fogging takes place in your neighborhood.

• People who suffer from chemical sensitivities or feel fogging could aggravate a preexisting health condition should consult their doctor or local health department and take special measures to avoid exposure.

• Close windows and doors and turn off your air conditioning (or set it to circulate indoor air) when fogging is taking place in the immediate area.

• Do not let children play near or behind truck-mounted applicators when they are in use. Keep children inside during fogging and for about one hour after fogging truck(s) leave the area.

• Bring pets inside and cover ornamental fish ponds to avoid direct exposure. Consult your doctor if you think you are experiencing health effects from the fogging.

Keep checking timnath.org/mosquito-control-2 for updated trap reports and fogging schedules.

HELP BEAUTIFY TIMNATH BY ADOPTING A STREET OR TRAIL

Help us keep Timnath’s streets and trails well-maintained and litter-free through the Adopt a Street or Trail program! Individuals, groups, neighborhoods, businesses and organizations are all invited to pitch in for this beautification effort. We will supply all the gloves, bags, safety vests and other supplies, and participants will only be responsible for collecting and bagging the trash. Public Works will take care of picking up the bags and disposing of them. Please call 970-224-3211 for more information and to sign up.
