(Disconnection Agreement)

DISCONNECTION AGREEMENT

This Disconnection Agreement ("Disconnection Agreement"), is executed by and between THE TOWN OF TIMNATH, a Colorado municipal corporation ("Town"), and HARTFORD INVESTMENTS, LLC, a Colorado limited liability company ("Hartford"), and is effective as of December 19, 2018 ("Effective Date"). The Town and Hartford may hereinafter be referred to collectively as the "Parties" or individually as a "Party."

RECITALS:

E. WHEREAS, the Town and Hartford entered into that certain Option Agreement to Purchase Property on January 18, 2018 (the "Option Agreement"), pursuant to which the Town had the option, and has exercised said option, to purchase certain real property from Hartford more particularly described in Exhibit A attached hereto and made a part hereof by this reference (the "Property").

F. WHEREAS, as partial payment for purchase of the Property, the Town executed and delivered a promissory note in the amount of Nine Hundred Eighty Two Thousand Five Hundred Ninety Two and 00/100ths Dollars ($982,592.00), payable to Hartford over a four (4) year term in four annually-appropriated installments (the "Note").

G. WHEREAS, the Note is secured by a first lien deed of trust encumbering the Property (the "Deed of Trust").

H. WHEREAS, the execution of this Disconnection Agreement and the Town’s performance of the Town’s obligation as set forth in this Disconnection Agreement are additional and valuable consideration for the sale of the Property to the Town by Hartford. But for the Town’s agreement to perform its obligations in this Disconnection Agreement, Hartford would not have agreed to accept the Note as partial payment for the sale of the Property to the Town.

THEREFORE, based on the foregoing, and in consideration of the mutual promises of the Parties, the terms and conditions contained in this Disconnection Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Town and Hartford covenant and agree as follows:

AGREEMENT:

1. Incorporation. The foregoing Recitals are incorporated herein as if fully set forth. The Parties agree that all such Recitals are material terms of this Disconnection Agreement.

2. Disconnection of Property In The Event Of Default. In the event the Town defaults under the Note or Deed of Trust, and Hartford exercises its right to cause the Public Trustee to sell the Property in satisfaction or partial satisfaction of the Note, Hartford shall also have the following rights and remedies:

   2.1. If the Town has initiated but not completed annexation of the Property to the Town, upon written demand from Hartford, the Town shall immediately terminate and discontinue all processes and efforts to annex the Property to the Town including but not limited to a withdrawal of any petitions for annexation of the Property if applicable; or
2.2. If the Town has completed annexation of the Property to the Town, upon written
demand from Hartford, the Town shall promptly allow and will take all such actions as may be
necessary to cause a disconnection of the Property from the Town.

3. No Taxes, Fees, Costs of Material Changes. The Town agrees that it shall not assess any
taxes, fees, or costs against the Property while this Disconnection Agreement is in effect and further agrees
that it shall not assess any taxes, fees or costs to Hartford or against the Property associated in any way with
the disconnection process. In the event a disconnection of the Property from the Town is required
hereunder, the Town shall bear all costs, fees and expenses associated therewith and will indemnify
Hartford for all of the same. Additionally, while this Disconnection Agreement is in effect, the Town agrees
that it shall not transfer any development density from the Property, enter into any Inter-Governmental
Agreements of any kind or nature associated in any way with or affecting the Property, or take any action
that could negatively impact the value or potential uses of the Property in any material way.

4. No Services Provided to Property. The Town hereby acknowledges and agrees that,
regardless of whether the Property is annexed to the Town, it will not begin providing any municipal
services to the Property while this Disconnection Agreement is in effect. As such, and in connection thereto,
the Town further acknowledges and agrees that disconnection of the Property from the Town under the
terms of this Disconnection Agreement will not result in prejudice to the best interests of the Town. The
parties mutually acknowledge that compliance by the Town with the specific requirements of the Dry-Up
Covenant shall not be deemed to constitute “municipal services” within the meaning of this agreement.

5. Recordation. This Disconnection Agreement shall be recorded in the office of the clerk
and county recorder in the County of Weld, State of Colorado.

6. Termination. This Disconnection Agreement shall become effective on the Effective Date
first above written and shall terminate by its own terms upon the earlier of the following to occur:

6.1. A release of the Deed of Trust on the Property by Hartford; or

6.2. The passage of one (1) year after the date that a foreclosure or a deed in lieu of
foreclosure revests title to the Property in Hartford or its successors or assigns, if Hartford has not,
prior to that time, recorded a demand for disconnection of the Property from the Town. In no event
shall a foreclosure or a deed in lieu of foreclosure that revests title to the Property in Hartford or its
successors or assigns by itself terminate this Disconnection Agreement.

Upon termination in accordance with the provisions set forth in this Section Six (6), this
Disconnection Agreement shall be terminated and of no further force or effect.

7. Town Not Released. Neither the extension of the time for payment or performance nor
modification of the terms of the Note or Deed of Trust shall operate to release, in any manner, the liability
and obligations of the Town, nor the Town's successors in interest, under the terms of this Disconnection
Agreement.

8. Forbearance by Hartford Not a Waiver. Any forbearance by Hartford in exercising any
right or remedy hereunder, or otherwise afforded by law, shall not be a waiver or preclude the exercise of
any such right or remedy at a later date.

9. The Town's Representations, Warranties, and Covenants. The Town hereby makes the
following representations, warranties and covenants, which shall be true and applicable as of the Effective
Date, and which shall survive until the proper termination of this Disconnection Agreement under the terms
hereof.
9.1. The Town has the full right, power, and authority under its Home Rule Charter, Land Use Code, and applicable laws, to make the promises to Hartford as set forth in this Disconnection Agreement and to carry out all of its obligations hereunder; and all required action necessary to authorize the Town to enter into this Disconnection Agreement and to carry out its obligations hereunder has been taken prior to the Effective Date.

9.2. This Disconnection Agreement and all actions or inactions of the Town required hereby are and shall be valid, legally binding obligations of and enforceable against the Town in accordance with their terms. The person or entity executing this Disconnection Agreement on behalf of the Town has the full right and authority to do so.

10. Remedies. The Parties acknowledge and agree that due to the unique value and benefits associated with Hartford’s right to demand a disconnection of the Property from the Town, any refusal or inability of the Town to promptly disconnect the Property from the Town pursuant to the terms hereof, will result in irreparable and continuing harm to Hartford which the Parties agree cannot be fully satisfied by and through an award of damages. Accordingly, in the event the Town, for any reason, does not allow, cause, or effect the disconnection of the Property from the Town after such disconnection is demanded by Hartford, Hartford shall be entitled to seek an order for specific performance of the Town’s obligation to complete such disconnection from the Town. In the event specific performance is found to not be available as a remedy, Hartford shall be entitled to damages for the Town’s breach and failure to cause a disconnection of the Property from the Town. Each remedy provided for in the Note, the Deed of Trust, and this Disconnection Agreement is distinct from and cumulative to all other rights or remedies under the Note, the Deed of Trust, and this Disconnection Agreement or afforded by law or equity, and may be exercised concurrently, independently, or successively.

11. Notices. Any notice, demand, or document which any Party is required or any Party desires to give or deliver to or make upon any other Party shall, in the case of a notice or demand, be given electronically or in writing, and if made in writing may be personally delivered or given or made by recognized overnight courier service (such as Federal Express, Airborne or DHL), or by United States registered or certified mail, return receipt requested, with postage prepaid, addressed as follows:

13. Governing Law. This Disconnection Agreement shall be governed by the laws of the State of Colorado.

In the event that a court in any jurisdiction declares any portion of this Disconnection Agreement invalid or unenforceable as applied to any circumstance, the remaining terms and provisions of this Disconnection Agreement and the application of the offending term or provision to other persons or circumstances shall not be affected. Any unenforceable provision of this Disconnection Agreement will be modified to the extent necessary to make it enforceable.

17. Counterparts. This Disconnection Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. Delivery of an executed counterpart of this Disconnection Agreement by facsimile, in .pdf form, or in other electronic form will be equally effective as delivery of a manually executed counterpart of this Disconnection Agreement.
