Timnath Town Council Cancels March 24 Meeting due to COVID-19

The Town of Timnath Council meeting scheduled for March 24 has been canceled. As of March 17, the Colorado Department of Public Health and Environment urged individuals and local governments to cancel or postpone gatherings that are larger than 10 people.

At this time the Council Meeting scheduled for April 14 is still scheduled. The Town is exploring a variety of options to accomplish this to ensure the health, safety and well-being of our community. We will have more information in the days to come.

In addition to canceling the Town Council meeting, the Town of Timnath has also:

- Increased cleaning at all buildings and facilities, including the playground equipment
- Announced it will no longer accept Community Room or Pavilion reservations
- Increased promotion of the use of the Town’s online services to minimize in-person interaction
- Developed a COVID-19 Response Plan that focuses on maintaining the health and safety of residents while identifying strategies to continue providing public services
- Canceled the Municipal Court Meeting scheduled for April 2, 2020

Additional updates about Town of Timnath closures and cancellations will be posted on www.timnath.org.
