8. TITLE INSURANCE, RECORD TITLE AND OFF-RECORD TITLE.

8.1. Evidence of Record Title.

☒ **8.1.1. Seller Selects Title Insurance Company.** If this box is checked, Seller will select the title insurance company to furnish the owner's title insurance policy at Seller's expense. On or before **Record Title Deadline**, Seller must furnish to Buyer, a current commitment for an owner's title insurance policy (Title Commitment), in an amount equal to the Purchase Price, or if this box is checked, ☐ an **Abstract of Title** certified to a current date. Seller will cause the title insurance policy to be issued and delivered to Buyer as soon as practicable at or after Closing.

☒ **8.1.2. Buyer Selects Title Insurance Company.** If this box is checked, Buyer will select the title insurance company to furnish the owner's title insurance policy at Buyer's expense. On or before **Record Title Deadline**, Buyer must furnish to Seller, a current commitment for owner's title insurance policy (Title Commitment), in an amount equal to the Purchase Price. If neither box in § 8.1.1. or § 8.1.2. is checked, § 8.1.1. applies.

8.1.3. Owner's Extended Coverage (OEC). The Title Commitment ☒ **Will** ☐ **Will Not** contain Owner's Extended Coverage (OEC). If the Title Commitment is to contain OEC, it will commit to delete or insure over the standard exceptions which relate to: (1) parties in possession, (2) unrecorded easements, (3) survey matters, (4) unrecorded mechanics' liens, (5) gap period (period between the effective date and time of commitment to the date and time the deed is recorded) and (6) unpaid taxes, assessments and unredeemed tax sales prior to the year of Closing. Any additional premium expense to obtain OEC will be paid by ☒ **Buyer** ☐ **Seller** ☐ **One-Half by Buyer and One-Half by Seller** ☐ **Other** _____. Regardless of whether the Contract requires OEC, the Title Insurance Commitment may not provide OEC or delete or insure over any or all of the standard exceptions for OEC. The Title Insurance Company may require a New Survey or New ILC, defined below, among other requirements for OEC. If the Title Insurance Commitment is not satisfactory to Buyer, Buyer has a right to object under § 8.7. (Right to Object to Title, Resolution).

8.1.4. Title Documents. Title Documents consist of the following: (1) copies of any plats, declarations, covenants, conditions and restrictions burdening the Property and (2) copies of any other documents (or, if illegible, summaries of such documents) listed in the schedule of exceptions (Exceptions) in the Title Commitment furnished to Buyer (collectively, Title Documents).

8.1.6. Existing Abstracts of Title. Seller must deliver to Buyer copies of any abstracts of title covering all or any portion of the Property (Abstract of Title) in Seller's possession on or before **Record Title Deadline**.

8.2. Record Title. Buyer has the right to review and object to the Abstract of Title or Title Commitment and any of the Title Documents as set forth in § 8.7. (Right to Object to Title, Resolution) on or before **Record Title Objection Deadline**. Buyer's objection may be based on any unsatisfactory form or content of Title Commitment or Abstract of Title, notwithstanding § 13, or any other unsatisfactory title condition, in Buyer's sole subjective discretion. If the Abstract of Title, Title Commitment or Title Documents are not received by Buyer on or before the **Record Title Deadline**, or if there is an endorsement to the Title Commitment that adds a new Exception to title, a copy of the new Exception to title and the modified Title Commitment will be delivered to Buyer. Buyer has until the earlier of Closing or ten days after receipt of such documents by Buyer to review and object to: (1) any required Title Document not timely received by Buyer, (2) any change to the Abstract of Title, Title Commitment or Title Documents, or (3) any endorsement to the Title Commitment. If Seller receives Buyer's Notice to Terminate or Notice of Title Objection, pursuant to this § 8.2. (Record Title), any title objection by Buyer is governed by the provisions set forth in § 8.7. (Right to Object to Title, Resolution). If Seller has fulfilled all Seller's obligations, if any, to deliver to Buyer all documents required by § 8.1. (Evidence of Record Title) and Seller does not receive Buyer's Notice to Terminate or Notice of Title Objection by the applicable deadline specified above, Buyer accepts the condition of title as disclosed by the Abstract of Title, Title Commitment and Title Documents as satisfactory.

8.3. Off-Record Title. Seller must deliver to Buyer, on or before **Off-Record Title Deadline**, true copies of all existing surveys in Seller's possession pertaining to the Property and must disclose to Buyer all easements, liens (including, without limitation, governmental improvements approved, but not yet installed) or other title matters not shown by public records, of which Seller has actual knowledge (Off-Record Matters). This Section excludes any New ILC or New Survey governed under § 9 (New ILC, New Survey). Buyer has the right to inspect the Property to investigate if any third party has any right in the Property not shown by public records (e.g., unrecorded easement, boundary line discrepancy or water rights). If Seller receives Buyer's Notice

to Terminate or Notice of Title Objection pursuant to this § 8.3. (Off-Record Title), any title objection by Buyer is governed by the provisions set forth in § 8.7. (Right to Object to Title, Resolution). If Seller does not receive Buyer's Notice to Terminate or Notice of Title Objection by the applicable deadline specified above, Buyer accepts title subject to such Off-Record Matters and rights, if any, of third parties not shown by public records of which Buyer has actual knowledge.

8.4. Special Taxing Districts. Should Buyer receive the Tax Certificate after **Record Title Deadline**, Buyer, at Buyer's option, has the Right to Terminate under § 24.1. by Buyer's Notice to Terminate received by Seller on or before ten days after Buyer's receipt of the Tax Certificate. If Buyer does not receive the Tax Certificate, or if Buyer's Notice to Terminate would otherwise be required to be received by Seller after **Closing Date**, Buyer's Notice to Terminate must be received by Seller on or before Closing. If Seller does not receive Buyer's Notice to Terminate within such time, Buyer accepts the provisions of the Tax Certificate and the inclusion of the Property in a special taxing district, if applicable, as satisfactory and Buyer waives any Right to Terminate under this provision. If Buyer's loan specified in §4.5.3. (Loan Limitations) prohibits Buyer from paying for the Tax Certificate, the Tax Certificate will be paid for by Seller.

If the third-party holder of such right exercises its right this Contract will terminate. If the third party's right to purchase is waived explicitly or expires, or the Contract is approved, this Contract will remain in full force and effect. Seller must promptly notify Buyer in writing of the foregoing. If the third party right to purchase is exercised or approval of this Contract has not occurred on or before **Third Party Right to Purchase/Approve Deadline**, this Contract will then terminate. If Buyer exercises Buyer's rights to object or terminate based on any such title matter, on or before the applicable deadline, Buyer has the following options:

8.7.1. Title Objection, Resolution. If Seller receives Buyer's written notice objecting to any title matter (Notice of Title Objection) on or before the applicable deadline and if Buyer and Seller have not agreed to a written settlement thereof on or before **Title Resolution Deadline**, this Contract will terminate on the expiration of **Title Resolution Deadline**, unless Seller receives Buyer's written withdrawal of Buyer's Notice of Title Objection (i.e., Buyer's written notice to waive objection to such items and waives the Right to Terminate for that reason), on or before expiration of **Title Resolution Deadline**. If either the Record Title Deadline or the Off-Record Title Deadline, or both, are extended pursuant to § 8.2. (Record Title) or § 8.3. (Off-Record Title) the Title Resolution Deadline also will be automatically extended to the earlier of Closing or fifteen days after Buyer's receipt of the applicable documents; or

GENERAL PROVISIONS

18. CAUSES OF LOSS, INSURANCE; DAMAGE TO INCLUSIONS AND SERVICES; CONDEMNATION; AND WALK-THROUGH. Except as otherwise provided in this Contract, the Property, Inclusions or both will be delivered in the condition existing as of the date of this Contract, ordinary wear and tear excepted.

18.1. Causes of Loss, Insurance. In the event the Property or Inclusions are damaged by fire, other perils or causes of loss prior to Closing (Property Damage) in an amount of not more than ten percent of the total Purchase Price and if the repair of the damage will be paid by insurance (other than the deductible to be paid by Seller), then Seller, upon receipt of the insurance proceeds, will use Seller's reasonable efforts to repair the Property before **Closing Date**. Buyer has the Right to Terminate under § 24.1., on or before **Closing Date**, if the Property is not repaired before **Closing Date**, or if the damage exceeds such sum. Should Buyer elect to carry out this Contract despite such Property Damage, Buyer is entitled to a credit at Closing for all insurance proceeds that were received by Seller (but not the Association, if any) resulting from damage to the Property and Inclusions, plus the amount of any deductible provided for in the insurance policy. This credit may not exceed the Purchase Price. In the event Seller has not received the insurance proceeds prior to Closing, the parties may agree to extend the **Closing Date** to have the Property repaired prior to Closing or, at the option of Buyer, (1) Seller must assign to Buyer the right to the proceeds at Closing, if acceptable to Seller's insurance company and Buyer's lender; or (2) the parties may enter into a written agreement prepared by the parties or their attorney requiring the Seller to escrow at Closing from Seller's sale proceeds the amount Seller has received and will receive due to such damage, not exceeding the total Purchase Price, plus the amount of any deductible that applies to the insurance claim.

18.2. Damage, Inclusions and Services. Should any Inclusion or service (including utilities and communication services), system, component or fixture of the Property (collectively Service) (e.g., heating or plumbing), fail or be damaged between the date of this Contract and Closing or possession, whichever is earlier, then Seller is liable for the repair or replacement of such Inclusion or Service with a unit of similar size, age and quality, or an equivalent credit, but only to the extent that the maintenance or

replacement of such Inclusion or Service is not the responsibility of the Association, if any, less any insurance proceeds received by Buyer covering such repair or replacement. If the failed or damaged Inclusion or Service is not repaired or replaced on or before Closing or possession, whichever is earlier, Buyer has the Right to Terminate under § 24.1., on or before **Closing Date**, or, at the option of Buyer, Buyer is entitled to a credit at Closing for the repair or replacement of such Inclusion or Service. Such credit must not exceed the Purchase Price. If Buyer receives such a credit, Seller's right for any claim against the Association, if any, will survive Closing.

18.3. Condemnation. In the event Seller receives actual notice prior to Closing that a pending condemnation action may result in a taking of all or part of the Property or Inclusions, Seller must promptly notify Buyer, in writing, of such condemnation action. Buyer has the Right to Terminate under § 24.1., on or before **Closing Date**, based on such condemnation action, in Buyer's sole subjective discretion. Should Buyer elect to consummate this Contract despite such diminution of value to the Property and Inclusions, Buyer is entitled to a credit at Closing for all condemnation proceeds awarded to Seller for the diminution in the value of the Property or Inclusions, but such credit will not include relocation benefits or expenses or exceed the Purchase Price.

18.4. Walk-Through and Verification of Condition. Buyer, upon reasonable notice, has the right to walk through the Property prior to Closing to verify that the physical condition of the Property and Inclusions complies with this Contract.

18.5. Home Warranty. [Intentionally Deleted]

18.6. Risk of Loss – Growing Crops. The risk of loss for damage to growing crops by fire or other casualty will be borne by the party entitled to the growing crops as provided in § 2.8. and such party is entitled to such insurance proceeds or benefits for the growing crops.

19. RECOMMENDATION OF LEGAL AND TAX COUNSEL. By signing this Contract, Buyer and Seller acknowledge that their respective broker has advised that this Contract has important legal consequences and has recommended: (1) legal examination of title; (2) consultation with legal and tax or other counsel before signing this Contract as this Contract may have important legal and tax implications; (3) to consult with their own attorney if Water Rights, Mineral Rights or Leased Items are included or excluded in the sale; and (4) to consult with legal counsel if there are other matters in this transaction for which legal counsel should be engaged and consulted. Such consultations must be done timely as this Contract has strict time limits, including deadlines, that must be complied with.

20. TIME OF ESSENCE, DEFAULT AND REMEDIES. Time is of the essence for all dates and deadlines in this Contract. This means that all dates and deadlines are strict and absolute. If any payment due, including Earnest Money, is not paid, honored or tendered when due, or if any obligation is not performed timely as provided in this Contract or waived, the non-defaulting party has the following remedies:

20.1. If Buyer is in Default:

☐ **20.1.1. Specific Performance.** Seller may elect to cancel this Contract and all Earnest Money (whether or not paid by Buyer) will be paid to Seller and retained by Seller. It is agreed that the Earnest Money is not a penalty, and the parties agree the amount is fair and reasonable. Seller may recover such additional damages as may be proper. Alternatively, Seller may elect to treat this Contract as being in full force and effect and Seller has the right to specific performance or damages, or both.

20.1.2. Liquidated Damages, Applicable. This § 20.1.2. applies unless the box in § 20.1.1. is checked. Seller may cancel this Contract. All Earnest Money (whether or not paid by Buyer) will be paid to Seller and retained by Seller. It is agreed that the Earnest Money amount specified in § 4.1. is LIQUIDATED DAMAGES and not a penalty, which amount the parties agree is fair and reasonable and (except as provided in §§ 10.4. and 21), such amount is SELLER'S ONLY REMEDY for Buyer's failure to perform the obligations of this Contract. Seller expressly waives the remedies of specific performance and additional damages.

20.2. If Seller is in Default:

20.2.1. Specific Performance, Damages or Both. Buyer may elect to treat this Contract as canceled, in which case all Earnest Money received hereunder will be returned to Buyer and Buyer may recover such damages as may be proper. Alternatively, in addition to the per diem in § 17 (Possession) for failure of Seller to timely deliver possession of the Property after Closing occurs, Buyer may elect to treat this Contract as being in full force and effect and Buyer has the right to specific performance or damages, or both.

20.2.2. Seller's Failure to Perform. In the event Seller fails to perform Seller's obligations under this Contract, to include, but not limited to, failure to timely disclose Association violations known by Seller, failure to perform any replacements or repairs required under this Contract or failure to timely disclose any known adverse material facts, Seller remains liable for any such failures to perform under this Contract after Closing. Buyer's rights to pursue the Seller for Seller's failure to perform under this Contract are reserved and survive Closing.

21. LEGAL FEES, COST AND EXPENSES. Anything to the contrary herein notwithstanding, in the event of any arbitration or litigation relating to this Contract, prior to or after **Closing Date**, the arbitrator or court must award to the prevailing party all reasonable costs and expenses, including attorney fees, legal fees and expenses.

22. MEDIATION. If a dispute arises relating to this Contract (whether prior to or after Closing) and is not resolved, the parties must first proceed, in good faith, to mediation. Mediation is a process in which the parties meet with an impartial person who helps

830 to resolve the dispute informally and confidentially. Mediators cannot impose binding decisions. Before any mediated settlement is
831 binding, the parties to the dispute must agree to the settlement, in writing. The parties will jointly appoint an acceptable mediator
832 and will share equally in the cost of such mediation. The obligation to mediate, unless otherwise agreed, will terminate if the entire
833 dispute is not resolved within thirty days of the date written notice requesting mediation is delivered by one party to the other at that
834 party's last known address (physical or electronic as provided in § 26). Nothing in this Section prohibits either party from filing a
835 lawsuit and recording a *lis pendens* affecting the Property, before or after the date of written notice requesting mediation. This
836 Section will not alter any date in this Contract, unless otherwise agreed.

837 **23. EARNEST MONEY DISPUTE.** Except as otherwise provided herein, Earnest Money Holder must release the Earnest
838 Money following receipt of written mutual instructions, signed by both Buyer and Seller. In the event of any controversy regarding
839 the Earnest Money, Earnest Money Holder is not required to release the Earnest Money. Earnest Money Holder, in its sole subjective
840 discretion, has several options: (1) wait for any proceeding between Buyer and Seller; (2) interplead all parties and deposit Earnest
841 Money into a court of competent jurisdiction (Earnest Money Holder is entitled to recover court costs and reasonable attorney and
842 legal fees incurred with such action); or (3) provide notice to Buyer and Seller that unless Earnest Money Holder receives a copy of
843 the Summons and Complaint or Claim (between Buyer and Seller) containing the case number of the lawsuit (Lawsuit) within one
844 hundred twenty days of Earnest Money Holder's notice to the parties, Earnest Money Holder is authorized to return the Earnest
845 Money to Buyer. In the event Earnest Money Holder does receive a copy of the Lawsuit and has not interpleaded the monies at the time
846 of any Order, Earnest Money Holder must disburse the Earnest Money pursuant to the Order of the Court. The parties reaffirm the
847 obligation of § 22 (Mediation). This Section will survive cancellation or termination of this Contract.

848 **24. TERMINATION.**

849 **24.1. Right to Terminate.** If a party has a right to terminate, as provided in this Contract (Right to Terminate), the
850 termination is effective upon the other party's receipt of a written notice to terminate (Notice to Terminate), provided such written
851 notice was received on or before the applicable deadline specified in this Contract. If the Notice to Terminate is not received on or
852 before the specified deadline, the party with the Right to Terminate accepts the specified matter, document or condition as satisfactory
853 and waives the Right to Terminate under such provision.

854 **24.2. Effect of Termination.** In the event this Contract is terminated, and all Earnest Money received hereunder is timely
855 returned to Buyer, the parties are relieved of all obligations hereunder, subject to §§ 10.4. and 21.

856 **25. ENTIRE AGREEMENT, MODIFICATION, SURVIVAL; SUCCESSORS.** This Contract, its exhibits and specified
857 addenda, constitute the entire agreement between the parties relating to the subject hereof and any prior agreements pertaining
858 thereto, whether oral or written, have been merged and integrated into this Contract. No subsequent modification of any of the terms
859 of this Contract is valid, binding upon the parties, or enforceable unless made in writing and signed by the parties. Any right or
860 obligation in this Contract that, by its terms, exists or is intended to be performed after termination or Closing survives the same.
861 Any successor to a party receives the predecessor's benefits and obligations of this Contract.

862 **26. NOTICE, DELIVERY AND CHOICE OF LAW.**

863 **26.1. Physical Delivery and Notice.** Any document or notice to Buyer or Seller must be in writing, except as provided in
864 § 26.2. and is effective when physically received by such party, any individual named in this Contract to receive documents or
865 notices for such party, Broker, or Brokerage Firm of Broker working with such party (except any notice or delivery after Closing
866 must be received by the party, not Broker or Brokerage Firm).

867 **26.2. Electronic Notice.** As an alternative to physical delivery, any notice may be delivered in electronic form to Buyer or
868 Seller, any individual named in this Contract to receive documents or notices for such party, Broker or Brokerage Firm of Broker
869 working with such party (except any notice or delivery after Closing, cancellation or Termination must be received by the party, not
870 Broker or Brokerage Firm) at the electronic address of the recipient by facsimile, email or _____.

871 **26.3. Electronic Delivery.** Electronic Delivery of documents and notice may be delivered by: (1) email at the email address
872 of the recipient, (2) a link or access to a website or server provided the recipient receives the information necessary to access the
873 documents, or (3) facsimile at the facsimile number (Fax No.) of the recipient.

874 **26.4. Choice of Law.** This Contract and all disputes arising hereunder are governed by and construed in accordance with
875 the laws of the State of Colorado that would be applicable to Colorado residents who sign a contract in Colorado for real property
876 located in Colorado.

877 **27. NOTICE OF ACCEPTANCE, COUNTERPARTS.** This proposal will expire unless accepted in writing, by Buyer and
878 Seller, as evidenced by their signatures below and the offering party receives notice of such acceptance pursuant to § 26 on or before
879 **Acceptance Deadline Date and Acceptance Deadline Time.** If accepted, this document will become a contract between Seller and

880 Buyer. A copy of this Contract may be executed by each party, separately and when each party has executed a copy thereof, such
881 copies taken together are deemed to be a full and complete contract between the parties.

882 **28. GOOD FAITH.** Buyer and Seller acknowledge that each party has an obligation to act in good faith including, but not limited to,
883 exercising the rights and obligations set forth in the provisions of **Financing Conditions and Obligations; Title Insurance,**

ADDENDUM A

To Contract to Buy and Sell Land Between Town of Timnath and Solar Colorado 077, LLC

This addendum is added to and incorporated into that certain Contract to Buy and Sell Land between Town of Timnath and Solar Colorado 077, LLC dated 03/29/2023 (together with this Addendum, the "Contract"). Defined terms in the Contract to Buy and Sell Land shall apply to this Addendum.

- A) Recording Contract.** This Contract may be recorded in the real property records of Weld County, Colorado.
- B) Contract Survives Closing.** All terms and provisions of this Contract are material elements of the bargained-for exchange of this transaction, shall survive closing and shall not, will not, and do not, merge with any subsequently conveyed deed, except as expressly provided herein.
- C) Intended Use.** The Parties expressly agree that the intended use of the Property is for a solar energy generation facility in conformity with Buyer's plans as attached hereto as Exhibit 1, and incorporated here by this reference, as if set out in full. The use of the Property as a solar energy generation facility is material to this Contract.
- D) Contingencies.** Notwithstanding the provisions of paragraphs A and B above, this Contract is subject to the following Contingencies in this paragraph D being met to Buyer's satisfaction, on or before 180 dates after mutual execution of this Contract (the "Contingencies Time Periods"). Unless otherwise objected to by Buyer, these Contingencies shall expire at closing and shall not survive the delivery of deed in this matter, but shall be considered to have been merged into the deed and shall be of no further force or effect whatsoever.
 - i. Buyer may conduct any such tests, economic feasibility studies, surveys, and inspections of the Property as Buyer deems necessary, including any soil tests, borings, environmental conditions and investigations of all utilities, roads, sewage/wastewater disposal systems, and access points serving the Property (collectively "Buyer's Tests"). Buyer shall repair any and all damage caused to the Property by Buyer's Tests.
 - ii. Buyer shall determine, to Buyer's satisfaction, that there are no limitations, covenants, clouds, easements, or prohibitions, whether in the form of governmental law or regulation, which would prevent or inhibit Buyer's intended use of the Property as a solar energy generation and potentially staff occupied energy storage facility.
 - iii. Buyer may investigate whether the current zoning is appropriate for its intended use of this Property as a solar energy generation and energy storage facility. Should it be necessary for Buyer to pursue re-zoning or subdivision of the Property, Seller agrees to cooperate with Buyer in a

reasonable fashion in such zoning or subdivision processes by signing necessary documents, and by supporting such zoning or subdivision application, all at no cost to Seller.

- iv. This Contract is subject to the following additional Contingencies which shall be met to Buyer's satisfaction, or expressly waived by Buyer on or before August 31, 2023:

Buyer obtaining approval by a Colorado regulated incumbent utility to interconnect the Solar Power System to a substation or distribution line to accept the Solar Energy to be generated on the Property in quantity and capacity acceptable to the Buyer, in Buyer's sole discretion. Buyer shall pay all fees required to obtain a queue position for interconnection and Buyer shall pay all fees and costs related to achieving interconnection with an incumbent utility.

- v. In the event that the investigations set forth in paragraphs D. i., D. ii., D. iii. or D.iv above are unacceptable to Buyer, then and in that event, Buyer may choose to:

a. If Buyer has applied for zoning, subdivision platting, building permit or any other permits or approvals, including utility interconnection, from any of the above entities, and has diligently pursued such action, and the granting of said permits, licenses, agreements or certificates remain under consideration by the appropriate governmental, regulatory, utility or administrative agencies, or if any appeal periods provided for by ordinance or other remain unexpired, at the expiration of the Contingencies Time Periods called for herein, Seller agrees to cooperate with Buyer and the Buyer's Contingencies Time Periods shall be extended not to exceed a three year period from the date of execution of Purchase Contract until a final, unappealable decision is rendered by the proper authority, in which case, Buyer shall pay to Seller a non-refundable fee (which is retained by Seller in the event of termination for any reason) of \$10,000 for each year, or portion thereof, of the extension at the time of requesting the extension and the Cash at Closing shall be reduced by the amount of the non-refundable fee paid, so that the total amount of earnest money, fees paid to Seller and Cash at Closing continues to total \$1,500,000; or

b. Buyer may elect to terminate this Contract on or before the Contingencies Time Period, as extended, by giving Notice to Seller as provided in Section 10.3.1 of the Contract, and in that event, Seller shall be entitled to retain all earnest money and extension fees, if any, paid pursuant to the Contract, and the Contract shall be cancelled and shall be of no further force or effect.

In any event, Buyer agrees to repair any damage done to the property resulting from such tests, surveys, or inspections within 90 days. If Buyer fails to so repair any damage, Seller may repair the damage, and Seller shall have a right of action against Buyer for all reasonable costs incurred in making such repairs and shall have the right to an action for all consequential damages, together with all attorneys' fees and costs of enforcement of such right, which shall survive closing or termination of this Contract.

E) Closing. Closing shall be scheduled for a mutually agreeable time and place and shall occur within thirty (30) days of the end of the Contingencies Times Periods, per Section D above. Possession shall be delivered at Closing.

F) Buyers Covenants. Buyer covenants and agrees as follows. All of the following Covenants are deemed by the parties to be material, and compliance with these covenants is an integral part of the bargained-for exchange giving rise to this Contract.

i. Restriction on Development and Use.

a. The Buyer shall develop the Property as a solar energy generation facility within three years of executing this Contract. If the Property is not developed for solar energy generation within three years of executing this Contract, or if the Property is developed for any purpose other than solar energy generation at any time prior to twenty years from the date of this Contract, except for the area of at least 300 feet along State Highway 14 on the southern border of the Property, for which the Town approves a plat allowing for commercial development, (hereinafter referred to as the "Setback Parcel") pursuant to Section E. ii below, Seller shall have a right, upon sixty days following the provision of written notice from Seller to Buyer and Buyer's failure to cure in full the failure, to so construct, operate, and maintain the solar energy generation facility or to cancel this agreement, to reenter the Property, and to be vested in full ownership in fee simple absolute of the Property. This right of reentry for a condition broken shall be vested in Seller, shall be added into and survive the Deed, and is intended by the Parties to provide Seller with a mechanism to recover the Property in full in the event the Property is not used as provided in this subparagraph.

b. In the event the Property is not used as a solar energy generation and Seller takes back the property pursuant to the right of reentry for a condition broken, there shall be a refund of a portion of the purchase price by Seller to Purchaser, on the following basis: The refund shall be 100% of the purchase price.

c. In the event that this Contract is terminated or the Property is not developed for solar energy generation within three years of executing this Contract due to the Buyer's failure to receive approval by a Colorado regulated incumbent utility to interconnect the Solar Power System to a substation or distribution line to accept the Solar Energy to be generated on the Property in quantity and capacity acceptable to the Buyer, after good faith efforts by Buyer to obtain such approval, Buyer shall provide written notice to the Seller of its failure to obtain such approval and Seller shall agree not

to sell the Property to another solar energy provider within three years after the date of such notice.

- d. Except as provided herein regarding undergrounded interconnection power lines, Buyer shall not develop, build, construct, or otherwise use, place solar equipment upon, or materially disturb any portion of the Setback Parcel along State Highway 14 within at least 300 feet of the state highway, except that the same property may be subdivided in accordance with the requirements for subdivision of the Town of Timnath. Once the subdivision process is complete, Buyer may sell or develop, build, construct, or otherwise use and materially disturb lots on the Setback parcel in ordinary course for use other than solar panels but including energy storage facilities are allowed for the Setback Parcel under the zoning code in connection with another use.
- ii. Future Development. Buyer shall negotiate in good faith with Seller and any 3rd party developers to aid in the commercial development of at least 300 feet along State Highway 14 on the southern border of the Property.
- iii. Future Power Contracts or Energy Sharing Agreements. Buyer shall negotiate in good faith with Seller to provide power or virtual net-metering credits to Seller. Seller shall have the first right of refusal to draw generated energy to a reasonable number of municipal meters as allowed by existing or future law.
- iv. Easement for Substation Interconnection. The Seller agrees to convey to Buyer, prior to the time of interconnection of the undergrounded powerlines, an easement, not to exceed 50 feet in width, along the western edge of Weld County Parcel 070518000044, for the purpose of installing, operating, and conducting maintenance on an underground primary transmission line, including undergrounding of said line under State Highway 14, at a reasonable price to be negotiated by the Parties, not to exceed fair market value for the easement. Buyer shall construct the primary transmission line in a good and workmanlike manner and in conformity with all Statutes and Regulations of the State of Colorado. Buyer shall bear all costs associated with such construction, operation, maintenance, and undergrounding of the primary transmission line. Buyer recognizes that use of the Town-owned right-of-way shall be in conformance with all then-existing laws and ordinances of the Town. Seller and Buyer shall enter into reasonable agreements for such further licenses as may be necessary to provide for the ordinary and necessary workings of the substation, including power lines which are used to convey electric energy into and away from the substation. However, Seller makes no warranty as to the nature and extent of any future right-of-way agreements, but the same shall be as negotiated by the Parties.

G) Sellers Rights.

- i. Seller maintains the right to review and approve any power purchase agreements entered into by the Buyer before they are executed for the purpose of ensuring that the intended use of the Property will be adequately pursued. Seller's approval shall not be unreasonably withheld.

Notwithstanding this provision, Seller shall have a right of first refusal to purchase any power produced from the Property, in any amount generated by Buyer, and delivered at a point of interconnection with an incumbent utility or other off-taker, at commercially reasonable rates, not to exceed the price paid by the incumbent utility or other off-taker.

- ii. This Contract provides Seller with all rights of action, legal and equitable, as provided herein.
