

WHICH WHEELS GO WHERE?

Know Your Ride. Know the Rules.

Getting around Timnath looks different for everyone. As more people use bikes, e-bikes and other devices, clear rules help keep shared spaces safe. This guide shows what you can ride, where you can ride and how to do so safely.

USE YOUR WHEELS RESPONSIBLY

Pedestrians and slower users have the right of way.

Timnath's sidewalks, trails and parks are shared spaces used by people walking, biking and rolling. Everyone plays a role in keeping these areas safe and accessible.

- Yield to pedestrians and slower users.
- Use an audible signal before passing (bell or voice).
- Pass with care and give others space.
- Ride at a safe, controlled speed.
- Slow down in busy or crowded areas.
- Follow posted signs and dismount zones.

BE AWARE OF VULNERABLE USERS

Children, older adults, people with disabilities and/or pets may need more space and time.

- Give extra room when passing.
- Be prepared to slow down or stop.
