

E-BIKES: KNOW YOUR CLASS

All e-bikes must have a legible Class 1, 2 or 3 label.

- No label = not an e-bike.

- E-bikes have operable pedals + a motor no larger than 750 watts.

- Keep it compliant - modified devices may not match their class label.

WHERE CAN I RIDE?

	Roadway	Bike Lanes	Sidewalks	Trails	Parks/Open Space
E-BIKES - CLASS 1 & 2					
E-BIKES - CLASS 3
